

Workshop

“The Structure of NP/DP and its Implications for QP”

Goals of the workshop:

- Inspire discussions whether the DP projection exists in articleless languages.
- Address recent approaches in the area of the structure of determiner phrases, quantificational phrases, and the linking element D.
- Establish, and evaluate the role of cross-linguistic variation.

14.30-15.10

Željko Bošković

More on the NP/DP Analysis

15.15-15.55

Larisa Zlatic

Definiteness and the Structure of NP in Slavic

16.00-16.40

Paweł Rutkowski

The Determiner Phrase in Polish

16.45- 17.00

Coffee-Break
