## EDUCARDS

**PROJECT** 

IMPLEMENTING THE EUROPEAN STUDENT CARD AMONG THE EDUC ALLIANCE

In the spirit of the digital alliance and innovative approach, the Educards project implements the European Student Card (ESC) to the universities in the EDUC consortium, as a new additional step to digitize all administrative procedures related to student mobilities.

MASARYK UNIVERSITY

With the support of the Erasmus+ Programme of the European Union

Inventory of current cards

Work on collaborative implementation of the ESC \*1

Creation of a user manual for students \*2

Analysis, observation and optimisation \*3

Sept. 2021 - August 2022

Sept. 2019 - Sept. 2020

3 days practice

exchange

3 days practice exchange

Sept. 2020 - Sept. 2021

3 days practice exchange

Distribution of the ESC
Start of the school year 2021

Experimentation

Intellectual Outputs

\*1 Methodological framework for the implementation of the ESC
