EDUC STAFF WEEK

Empowering Sustainability: The EDUC Alliance in action

June 23-25, 2026

Faculty of Engineering and Architecture
Via Marengo 2, Building C, Room Alfa
University of Cagliari

Co-funded by
the European Union

Day 1: Social Sustainability

Inclusive and Accessible University Communities - Tuesday, June 23, 2026

09:00 - 09:30 Welcome, Registration of Participants & EDUC Welcome kit delivery

09:30 - 09:45 Institutional greetings

09:45 - 10:45 Prof. Donatella Rita Petretto and Silvia Vinci - Head of the SIA and Psychologist - Inclusion and Learning Services, UniCa
Social Justice, Equity and Disability: a Processual Approach

10:45 - 11:00 Guided Discussion among participants

11:00 - 11:30 Coffee break offered by EDUC

11:30 - 12:30 Prof. Caterina Giannattasio - Cagliari Accessibility Lab, UniCa
Lorem Ipsum...

12:30 - 12:45 Guided Discussion among participants

12:45 - 14:30 self paid lunch

14:30 - 15:40 Roberta Berti and Gian Pietro Carrogu - Phds, UniCa
Workshop Universal Accessibility and Social Justice

15:50 - 17:00 Luca Gaviano - Researcher, UniCa
Workshop Social Justice and Ageing

Both workshops will be highly interactive and will involve students and professionals with disabilities from the University of Cagliari

Day 2: Environmental Sustainability (Part I)

From Policies to Practice: Sustainable Campuses and Cities - Wednesday, June 24, 2026

09:00 - 09:15 Welcome and registration

09:15 - 11:00 **MOBILITY** - coordinated by UniCa representatives within the RUS Mobility Working Group and the UniCa Green Team

09:15 - 09:30 Valeria Saiu - Researcher, Department of Civil, Environmental Engineering and Architecture, UniCa (DICAAR)
Metropolitan City and University Campuses: Relationships, Impacts and Good Practices

09:30 - 09:45 Marcello Figus - Technical Officer- DICAAR UniCa
The UniCa Home-to-Work Travel Plan and Its Impact on the Territory

09:45 - 10:15 Eleonora Sottile - Researcher - DICAAR UniCa
Sustainable Mobility: initiatives on the Monserrato Campus

10:15 - 10:30 Guided Discussion among participants

11:00 - 11:30 Coffee break offered by EDUC

11:30 - 12:30 **WASTE AND CIRCULAR ECONOMY** - coordinated by UniCa representatives within the RUS Resources and Waste Working Group and the UniCa Green Team

11:30 - 11:45 Prof. Aldo Muntoni - DICAAR UniCa
Urban waste production data and categories, innovative collection models, strategies to reduce non-recyclable waste, campus issues, and effective community-territory engagement

11:45 - 12:30

-Martina Piredda - Technical Coordinator of the Shared Teaching Laboratories at the Monserrato Campus, Unica

-Barbara Tuveri - Technical Officer, University Service Center for Animal Research Facilities, UniCa (CESAST)

-Cristiano Armas - Technical Officer - DICAAR, Unica
Internal reuse chain: virtuous examples

Day 2: Environmental Sustainability (Part I)

From Policies to Practice: Sustainable Campuses and Cities - Wednesday, June 24, 2026

12:30 - 12:45 FOOD AND SUSTAINABLE NUTRITION - coordinated by UniCa representatives within the RUS Food Working Group and the UniCa Green Team

Sofia Cosentino - Professor, Department of Medical Sciences and Public Health, UniCa

The Green Food Week and the Sustainable Nutrition Survey

12:45 - 13:00 Guided Discussion among participants

13:00 - 14:30 self paid lunch

14:30 - 17:00

Visit to DICAAR laboratories - guided by Cristiano Armas

- Chemistry Laboratory: emission reduction; single-use materials; virtuous management
- Waste reuse (waste as resources)
- Internal reuse
- Systems for monitoring the quantity of waste produced

Day 3: Environmental Sustainability (Part II)

From Policies to Practice: Sustainable Campuses and Cities - Thursday, June 25, 2026

09:00 - 09:30 Welcome and registration

09:30 - 11:00 ENERGY - coordinated by UniCa representatives within the RUS Mobility Working Group and the UniCa Green Team

09:30 - 09:45 Luca Migliari - Researcher, Department of Mechanical, Chemical and Materials Engineering, UniCa (DIMC)

Aligning smart working for maximum energy efficiency: the UniCa case study"- remote session

09:45-10:00

Gianluca Altea - Maintenance, Inspection & Asset Enhancement Coordinator, Monserrato Campus, UniCa

Smart Campus of the University of Cagliari

Day 3: Environmental Sustainability (Part II)

From Policies to Practice: Sustainable Campuses and Cities - Thursday, June 25, 2026

10:00-10:15 GREEN - coordinated by UniCa representative for green areas and the UniCa Green Team

Gianluca Iriti - Technical Officer - Head of University Green Area Management, UniCa

Sustainable Management of Green Areas at the University of Cagliari

10:15-10:30 Guided Discussion among participants

11:00 - 11:30 Coffee break offered by EDUC

11:30 - 12:00 Electric mini bus transfer to Monserrato Campus

12:00 - 17:00

Lunch at the Cittadella

Visit to the Smart Campus (Monserrato Cittadella) - guided by Marcello Figus:

- Sustainability report
- Energy efficiency
- Local energy production systems
- Training construction sites

17:00: return to the Faculty of Engineering and Architecture - Via Marengo, 2
