- The **Intro Lecture** (10:15-11:45, S12) provides an introduction to causal inference.
- **Theory Q&A** (10:15-11:45, S12): Students are expected to study the lecture material by themselves (or in groups) **in advance**. Pre-selected groups summarize the main findings and pose open questions.
- **Problem Sets** (PS, 10:15-11:45, S12): Randomly selected groups present their solution to the problem set.
- Stata help sessions & office hours (11:00-12:00, Zoom) provide further assistance to students. Participation optional.
