Tasks

active in committees of student  
organisation

Participating in different  
university committees

Management of rooms for the  
Fachschaft

## Volunteering for YOUR and OUR University

Contact persons for  
students in dismay

first semester events and  
first semester trip

communication with student  
councils from other  
universities

Organising events

fostering  
community

shape university  
politics

A hand-drawn white oval border with a slightly irregular, sketchy appearance, centered on the page.

Fachschaft

Students of Mathematics

Students of Physics

Students of Polymere Science

Students of Astrophysics

Students of Data Science

-----

= THE MaPhy FACHSCHAFT (student body)

(ca 1700 students)

Because I have great ideas for  
structuring and shaping student life

Because I like to get involved in  
organising trips, parties and other events

To get to know student politics and  
student lead committees

Why become active?

To meet new people

Because I want to expand  
student spaces

Because I wish to support the first semester students when they start out

# Game Night

- every second Tuesday in a month at 6pm
- a large collection of board-and
- card games
- Snacks and Drinks

Also: Arts and Crafts Night,  
same time but on the fourth Tuesday

# MINT**RAUM**

**Orte:** Raum **II.26.0.76** (Campus Golm)  
Raum **II.70.0.16** (Informatik)

**Moodle:** MINT-Raum

**Website:**

What is the MINT-Room?

In the MINT-Room you will find support from other students of (possibly) higher semesters to help you in your studies.

# Academic Sports Center

Begin Overview: 10.10.25

Begin Registration: 14.10.25 starting 2pm

# Nextbikes

For 45 mins daily you can ride a nextbike for free in Potsdam.

Simply register in the app, enter Universität Potsdam as Partner and put in your university email address.

nextbike by TIER

# How to contact us

Webpage

Per Mail via:

[fsrmaphy@lists.astaup.de](mailto:fsrmaphy@lists.astaup.de)

or simply talk to us when you see us!

Check out the Forum (House 28) or the Maths-Café to meet us and other peers.
