

# CV, Jinshan Zhu

## Ph. D., LL.M. (Hamburg), M. Sc., & B. Sc.

### Personal statement

Jinshan ZHU, Male, 23<sup>rd</sup> August 1981 born in Liaoning, China  
Humboldt research fellow at International Politics, University Potsdam.

### Contact

Chair of International Politics  
August-Bebel-Straße 89  
14482 Potsdam  
Emails: [jzhu@uni-potsdam.de](mailto:jzhu@uni-potsdam.de)

### Research focus

Law and economic analysis of the accidental cost of climate engineering, developing countries' carbon governance, environmental law and economics, law and economic topics embedded into technical context

### Academic degrees

PhD, International Programme in the comparative analysis of Institution, Economics, and Law (IEL), University Turin, Italy  
LL.M. in Law and Economics, University Hamburg, jointly course with University Gent, University Marseille III  
M.Sc. in Environmental engineering, Technical University Hamburg-Harburg (TUHH)  
B.Sc. in Environmental and Resource management (BTU, Cottbus)

### Previous Career experience

Visiting scholar, Cornell law school, 2010-2014  
Visiting scholar, Potsdam Institute of Climate Change Research (PIK), Apr. 2008; Dec. 2008-Jan. 2009.  
Project manager of China at UNEP Finance Initiative, United Nations Environment Programme (UNEP), Sep. 2006- Dec. 2006.  
Research assistant to chief engineer, Chair of Waste Management, Technical University Hamburg-Harburg, Dec. 2005—Jun. 2007.  
Trainee for degree thesis research, Leibniz- Institute of Agricultural Engineering Bornim (ATB), Jan.2005- Mar. 2005 and Oct. 2004-Sep. 2004.

**Language Proficiency:** Chinese (mother tongue), English (academic language), German (B2), Japanese (Level 3)

### Honors, membership and social activity

Member of China Society of Comparative Law, since 2015  
Chinese Government Scholarship (prize) for Outstanding Self-financed Students Studying Abroad, 2013.  
Member of “European Association of Environmental and Resource Economists”, 2010-2013  
Outstanding student scholarship of Hamburg, 2006.  
Tenure Member of Friends of Nature, China (Green NGO)

## **Publication (as first author)**

### Peer-reviewed articles published:

- Zhu J. (2012) The correlated factors of the uneven performances of the CDM host countries. *Environmental Research Letters*. 7 (1). DOI 10.1088/1748-9326/7/1/014015 (Journal 2011 Impact factor 3.631) (Chapter of PhD thesis)
- Zhu J. & Tang Y. (2012) The design flaw of the displacement principle of clean development mechanism: the neglect of electricity shortage, *European Journal of Law and Economics*, online published DOI 10.1007/s10657-012-9374-8, (Journal 2011 Impact factor 0.417) hardcopy forthcoming
- Zhu J. (2014) Assessing China's discriminative tax on Clean Development Mechanism projects. Does China's tax have so many functions? *Journal of Environmental Planning and Management* 57 (3) DOI:10.1080/09640568.2012.750236 (Journal 2011 Impact factor 1.107) (Chapter of PhD thesis)
- Zhu J, Yao H. Tang Y, Wang L. (2013) Subnational unbalanced Clean Development Mechanism: a case study of China. DOI 10.1007/s11027-013-9525-4 (Journal 2012 Impact factor 1.856) hardcopy forthcoming

### Papers presented at international conferences:

- Zhu J. (2010) Law and economic analysis on CDM practice of China in year 2007. *International Energy workshop*, Stockholm, 21- 23, Jun 2010.
- Zhu J. (2012) Five design problems of the Kyoto Protocol. 2012 Annual Meeting of Society for Environmental Law and Economics, Indiana, June 1-2, 2012
