## International Calls and Information for the Faculty of Human Sciences

### **Procope Plus 2024: Research funding for Franco-German cooperation**

**19 January 2024**

The Procope Plus programme aims to strengthen cooperation in Franco-German research by supporting the organisation of scientific colloquia and expert meetings. France and Germany wish to strengthen Franco-German cooperation in the fields of research and innovation. This cooperation is expressed in particular through the participation of research teams from both countries in major projects at national or European level and is promoted through financial support for the organisation of events and meetings between the partners.

### **Leonhard Euler Programme**

**29 January 2024**

The programme aims to provide students and young academics from all disciplines with (further) qualifications in subject matter and/or methodology and to expand international education and research cooperation. Funding is provided for combined study and research visits by diploma/master's students and doctoral candidates from higher education institutions in various countries (see link) at the home university (sur-place) and at the partner university in Germany to realise their diploma/master's and doctoral theses.

### **UNAM-DFG Funding Opportunity for Joint German-Mexican Research Projects**

**9 February 2024**

The Deutsche Forschungsgemeinschaft (DFG, German Research Foundation) and the Universidad Nacional Autónoma de México (UNAM) are pleased to announce the second call for proposals to fund joint German-Mexican research projects in all fields of research (including social sciences and the humanities). Funding within this initiative is available for collaborative research projects involving researchers from Germany and from UNAM. Proposals for joint German-Mexican projects have to be submitted in parallel by the researchers in Germany and at UNAM to their respective funding organisation according to the organisations' respective format and regulations.
