

## International Calls and Information For the Faculty of Human Sciences

### RSF-DFG Cooperation: Possibility of joint German-Russian project proposals in all scientific fields

14 December 2020

The German Research Foundation (DFG) and the Russian Science Foundation (RSF) have opened up the possibility of submitting joint German-Russian project proposals for the 2022-2024 funding period in all scientific disciplines. Research teams from both countries are invited to submit joint proposals. For German groups, this means submission via the DFG's élan system in accordance with the guidelines for the research fellowship programme (Form 50.01). It should be noted that if the elan system is used for the first time, registration is required before submitting the application via elan by 7 December 2020 at the latest.

### AIAS-COFUND Fellowships

15 January 2021

Up to 15 AIAS-COFUND fellowships are available for the most talented researchers from around the world and within all research disciplines and topics. The scheme is funded by the European Union's Horizon 2020 Research and Innovation Programme under the Marie Skłodowska-Curie actions (grant agreement no 754513) and Aarhus University Research Foundation. A fellowship includes a full salary and a minor contribution to research expenses.

### Cooperation support "Teaching & Training"

31 January 2021

The cooperation support "Teaching & Training" was established to bridge the gap between KoUP funding and Erasmus+ teaching and training visits. In this way, the university management creates an opportunity to promote teaching and further training at partner universities outside the EU and to intensify the partnership work. The group of technical and administrative staff will be invited to participate actively in the flourishing of the partnerships.

### UK-German Funding Initiative in the Humanities

24 February 2021

The Arts and Humanities Research Council (AHRC) and the Deutsche Forschungsgemeinschaft (DFG, German Research Foundation) are launching a call for proposals for outstanding joint UK-German research projects in the humanities. Proposals should strengthen cooperation in the fields of arts and humanities, law and linguistics between Germany and the UK. Proposals may be submitted in any area of the humanities, as defined in the research funding guides. The closing date for this call is Wednesday, 24 February 2021. Applications for this call will need to be submitted through the DFG elan-system (by midnight CET). German applicants should note, that if they are using the elan system for the first time, they need to set up an elan-account by 19 February 2021 at the latest.
