Brown Bag Meetings offer literacy
researchers the opportunity to
think through, present and
discuss their research from the
idea to the first results in a small
group and relaxed atmosphere.
The international community can
provide a network, feedback, tips,
and thus valuable impulses for
further work. Do you want to
present a step of your work?
Winnie will provide you with more
details (email: **winnie-
karen.giera@uni-potsdam.de**).

Hosts:

- Prof. Dr. Winnie-Karen Giera (Germany)
- Senior researcher Jesper Bremholm (Denmark)
- Anneke Wurth (Netherlands)
- Prof. Dr. Byeonggon Min (South Korea)

"Let us share our knowledge and experience!" (W.-K. Giera)
