Bar-Ilan University

About

Bar-Ilan University is the fastest-growing institution of higher education in Israel. Those pursuing their BA, MA and PhD degrees on our award-winning campus just outside Tel Aviv and in our six regional colleges across Israel are joined by thousands more who are enrolled in certificate and enrichment programs, including the largest in-service teacher training program in Israel.

At Bar-Ilan our students learn to assume social responsibility. They are provided with an opportunity to become knowledgeable Jews, both formally, through our unique program which requires every student to take academic level Jewish studies courses, thereby grounding them in the basics of Judaism, and informally, through the vast multitude of Jewish experiences available on campus.

Philosophy

The name Bar-Ilan was chosen, in honor of Rabbi Meir Bar-Ilan (Berlin), a spiritual leader who led traditional Judaism from the ashes of Europe to rebirth and renaissance in the Land of Israel. He inspired the founding of Bar-Ilan University in Ramat Gan (1955) by the American Mizrahi movement, and it was named for him.

„Das Praktikum im International Office der BIU war sowohl eine inhaltliche, als auch praktische und soziale Bereicherung für mich. Auch im Hinblick auf meine berufliche Perspektive, hat mich das Praktikum bestätigt, in dem ich die Arbeit in einem internationalen Studierendenbüro, auch weiterhin als ein überaus spannendes Berufsfeld für mich ansehe.“
