ZAMEK Culture Centre

About

ZAMEK Culture Centre in Poznań is one of the largest cultural institutions in the country. Each year, the institution hosts 2,500 events which both showcase and stimulate the development of the most interesting phenomena in culture. The spaces and interiors of ZAMEK are a venues where one sees the interfacing and mutually complementary presence of visual arts, theatre, film, music and literature.

The Centre for Educational Practices, which functions as part of the institution, aims to develop and implement new methods and tools of education, as well as initiates and supports collaboration between the domains of culture and school education.

Activities

Our activities would not be what they are if not for the social context of ZAMEK's activities, therefore much emphasis is placed on collaboration with the institutions immediate surroundings. Also, we develop a programme of urban education which, among other things, encompasses debates about the problems of the local community, workshops, or animation projects in St. Martin street.

ZAMEK Culture Centre's flagship undertakings organized each year include ETHNO PORT Poznań, a music festival, the International Documentary Film Festival OFF CINEMA, POZNAŃ POETÓW and FESTIWAL FABUŁY, both of which are dedicated to literature, as well as an event which represents a nationwide cultural phenomenon, ST. MARTIN STREET NAME DAY, which is celebrated on November 11th, together with the Day of Independence.

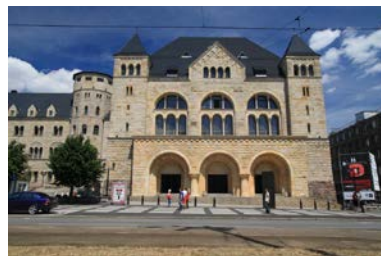

Beyond these events, CK ZAMEK remains open to visitors each day of the week. Over the year, our institution is visited by almost half a million people.
