

C40 WORLD MAYORS SUMMIT

Buenos Aires 2022

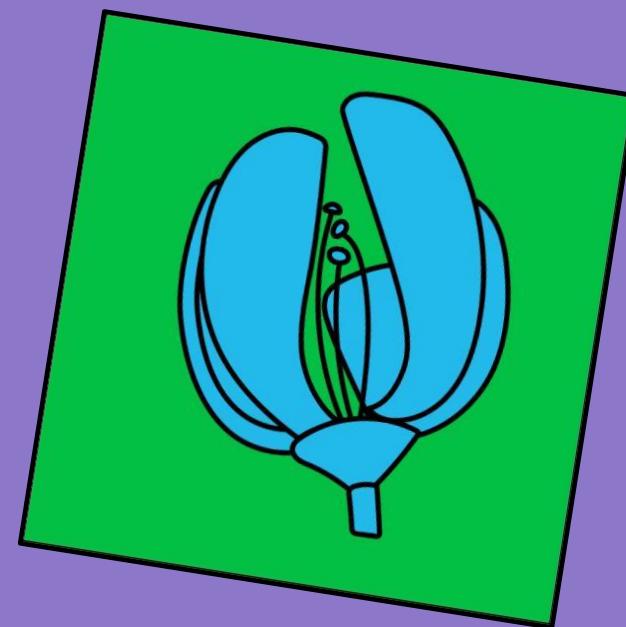

City Programme
18, 19, 20, 21, 22 & 23 October

Tuesday

18.10

City Programme

SIDE EVENTS

PARADIPLOMACIA.ORG GLOBAL & SMART CITIES TALKS

Date: 18th October | 3pm - 5pm

Location: Casa de Gobierno de la Ciudad de Buenos Aires

Organizer: Paradiplomacy

Event type: by invitation [HERE](#)

Together with representatives from different areas of civil society, the 5 aspects that make a smart city will be addressed: evidence-based public policies, a focus on people, sustainable and sustainable development, an efficient and smart use of technology and global action.

AWARDS CEREMONY: ARGENTINA CIRCULAR ECONOMY

Date: 18th October | 9am - 10am

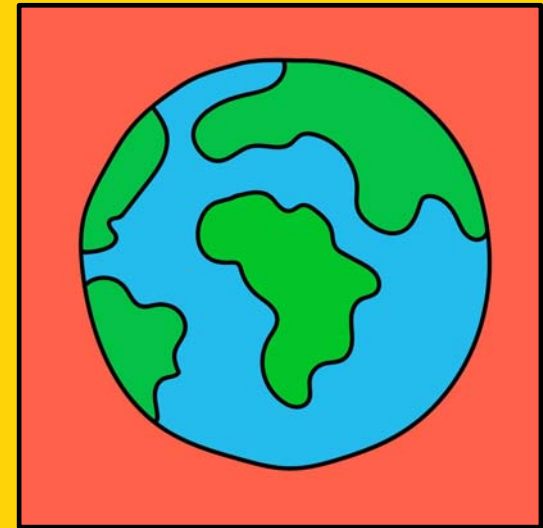

Location: Bolsa de Comercio de Buenos Aires

Organizer: PYME Observatory Foundation, Regenerar Foundation + others.

Event type: by invitation

This award was created to acknowledge and highlight the initiatives of big, medium and small companies, entrepreneurs, cooperatives, NGOs, public and private institutions, governments and media, all of whom promote the country's transformation towards a circular economy.

Wednesday 19.10

City Programme

SIDE EVENTS

**RECOGNITION TO GREEN
SCHOOLS + DISTINCTION
TO ENVIRONMENTAL
REFERENTS**

Date: 19th October | 9am - 6pm

Location Casa de Gobierno de la
Ciudad de Buenos Aires

Organizer: Dept. Education

Event type: by invitation

Green School awards were presented to schools in the city and the Federal Network of Green Schools, which propose solutions from the classroom to tackle climate change. An award is also given to innovative environmental projects and environmental leaders.

**ENERGY TRANSITION
CONFERENCE**

Date: 19th October | 10am- 1pm

Location Centro Cultural Recoleta
(CCR)

Organizer: APRA

Event type: by invitation

Reducing the use of fossil fuels requires us to promote the energy transition to achieve decarbonisation. The energy transition is a commitment by governments and the private sector to attract investment in sustainable energy. It also generates quality jobs by creating local value chains.

**URBAN-RURAL
INTEGRATION**

Date: 19th October | 9am - 10am

Location Sede de la Sociedad Rural
Argentina

Organizer: Rural Association

Event type: by invitation. [HERE](#)

Panel where the Sustainability Commission of the Argentine Rural Society will seek to explain those nature-based services provided by the countryside that have the potential to assist cities in their efforts to mitigate greenhouse gas emissions. Finally, a closing session will consider the "4x1000 Protocol": an internationally validated mechanism whose main objective is to calculate emissions.

SIDE EVENTS

**FEDERAL DAY FOR
SUSTAINABLE TOURISM**

Date: 19th October | 10.30am - 1.30pm

Location Usina del Arte

Organizer: ENTUR

Event type: by invitation

Argentina's tourism secretaries will participate in panels on sustainable transport in the region and environmental impact measures at airports, on new tax incentive regulations with a focus on sustainability, and will sign a commitment to exchange management for sustainable hotel renovations in CABA.

**CONFERENCE:
RESILIENT CITIES**

Date: 19th October | 2pm. - 5.30pm

Location Microcine Centro Cultural Recoleta

Organizer: Transport and Public Works Office

Event type: by invitation

Three panels will seek to make visible the trajectory of the City of Buenos Aires in the adaptation and mitigation of climate change. Each area of the government will present the projects and works implemented, showing a unified policy that is attractive not only to citizens but also to the international and private sectors.

**GREEN FINANCE NOW.
COMBATTING THE CLIMATE
CHALLENGE VIA GREEN
BONDS**

Date: 19th October | 9am - 11am

Location Casa de Gobierno de la Ciudad de Buenos Aires

Organizer: ICC

Event type: by registration. [HERE](#)

Alternatives such as green bonds could facilitate and accelerate local climate change plans. C40 has already raised awareness of the need to tackle climate change. Now, how do we obtain financial resources for initiatives that move us from thoughts to action? How can solutions be put into practice that add transparency and are kind to the environment?

CULTURAL/SOCIAL PROGRAMMES**EXHIBITION 'A DAY ON EARTH'.**

Date: 19th October | 3pm - 5pm

Location Museo de Arte Moderno de Buenos Aires (MAMBA)

Organizer: Culture

Event type: open to the public, free entry

It is a programme that vindicates the role of art in its encounter with today's world. All the group exhibitions of A Day on Earth will present to the public for the first time a large number of the more than six hundred works that have entered the Modern Museum's holdings since 2013.

MICROCENTRO DOWNTOWN AREA TOUR

Date: 19th October | 2.30pm - 4.30pm

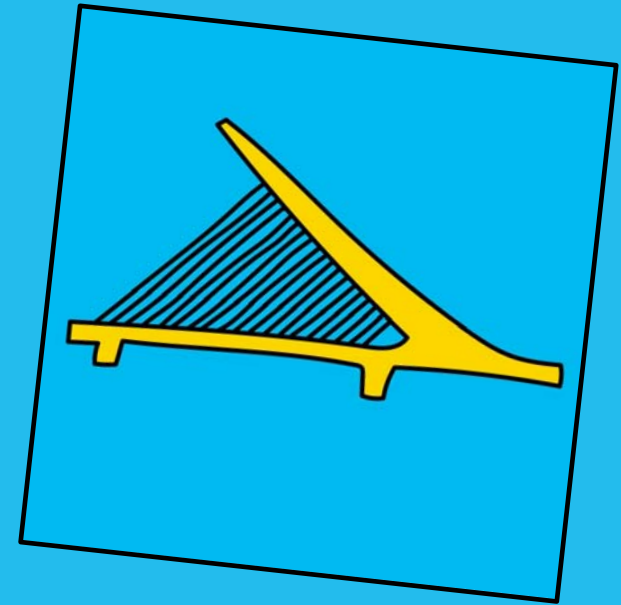

Location: Buenos Aires Museo (BAM)

Organizer: Urban Development

Event type:

This tour offers visitors getting to know the cultural and architectural approach of the old town and of the porteño's center. Starting from the Buenos Aires Museo, the tour offers a quick appreciation of urban concepts and the colonial aspects that distinguishes the most emblematic buildings of the City.

Thursday 20.10

City Programme

SIDE EVENTS

**ENVIRONMENTAL
HACKATHON +
COMMITMENT FOR THE
ENVIRONMENT**

Date: 20th October | 9.30am - 12.30m

Location Floralis Genérica

Organizer: Dept. Education

Event type: by invitation

Youth encounter to discuss solutions to current socio-environmental challenges. The students will take the oath of commitment together with the mayors, authorities and representatives present. The aim is to strengthen young people's interest in sustainable development and promote in them a proactive and entrepreneurial spirit that contributes to a citizenship committed to addressing the challenges of climate change.

**INTERFAITH AND
SOCIAL FORUM**

Date: 20th October | 12 pm- 5pm

Location Usina del Arte

Organizer: DGEUL & UPEDS

Event type: by registration. [HERE](#)

The topic of climatic change will be discussed from the individual's spiritual and social perspective, which is represented by the C40 theme of "well-being and quality of life," while also taking into account the various contributions that different religions can make to the issue at hand through interreligious dialogue. The activity is divided into 4 sections: 1. Recognition for religious leaders and cult directors. 2. Work groups which make theme-related references. 3- Presentation of the book "Aportes de las religiones Frente al Cambio Climático" to the in attendance mayors together with a proclamation signed by religious leaders 4- Final Conference

**SOCIAL ECONOMY
CONGRESS**

Date: 20th October | 9am - 6pm

Location Legislatura de la Ciudad de Buenos Aires

Organizer: Human Development & Habitat Dept.

Event type: by registration. [HERE](#)

Popular and Social Economy (PEyS) organisations offer a growing diversity of goods and services. In this first Congress, there will be panels by experts in these areas, addressing public procurement, the role of the state, the private sector and academia in the social economy, and the participation scheme.

SIDE EVENTS

**CLIMATE MEMORIES:
OLDER ADULTS SHARE
THEIR STORIES**

Date: 20th October | 10am - 11.30am

Location Centro Cultural Recoleta (CCR)

Organizer: APRA & Health Dept.

Event type: by invitation

It is a workshop with older adults, one of the sectors most vulnerable to extreme weather events. They are affected by heat waves, which are expected to become more intense and frequent in the city. In addition to addressing climate change, it will also recover the memories and experiences of this group.

**RESILIENT CITIES: NEW
BUSINESS MODELS IN A
CLIMATE CHANGE CONTEXT
(AVINA FOUNDATION)**

Date: 20th October | 10am - 1pm

Location Hall del Museo Sívori

Organizer: Open Government & Avina Foundation

Event type: by invitation

This participatory workshop proposes to continue the dialogue on resilient cities, climate action, circular economy and new business models in cities that contribute to climate change mitigation and adaptation. Because it is in the dialogue between the private sector and local governments where the opportunities to promote and facilitate the development of innovative solutions that contribute to the sustainability and scalability of solutions lie.

**COLLABORATION BETWEEN
CITIES TOWARDS
CIRCULARITY:
LATIN-AMERICAN AND
EUROPEAN EXPERIENCES**

Date: 20th October | 4.30pm - 5.30pm

Location: Alvear Hotel

Organizer: ECLAC, GCBA, Enel

Event type: by invitation

Two panels, each lasting 25 minutes. The first will be the institutions and stakeholders perspectives on how to support the shift to a circular model in cities. In order to understand how the cities that signed the declaration and those invited to join the C40 are now handling things, the second will focus on practical city case studies.

SIDE EVENTS

**FINANCING CARBON
NEUTRALITY IN THE CITIES:
INVESTMENT OPPORTUNITIES
AND MITIGATION OPTIONS -
TORCUATO DI TELLA
FOUNDATION**

Date: 20th October | 12m - 1pm

Location Legislatura de la Ciudad de Buenos Aires

Organizer: DGRIC & Torcuato Di Tella Foundation

Event type: by [registration](#).

DecarBOOST is a project that supports countries to reduce their carbon emissions and promote investments for sustainable development. It will share investment opportunities and concrete mitigation options at the city level in the energy, transport, labour and waste sectors.

**UNSAM: MEGA EVENTS CITY
PRODUCERS**

Date: 20th October | 4.30pm - 5.30pm

Location Legislatura de la Ciudad de Buenos Aires

Organizer: CAF & UNSAM

Event type: by invitation

The objective of this event is to present success stories of cities that have hosted mega sporting events and their strategies to capitalise on the large investments received in permanent urban transformations and developments.

**WORKSHOP: 'EXPERIENCES OF
STRATEGIC GOVERNANCE OF
CLIMATE CHANGE IN LARGE
METROPOLISES: LESSONS FROM
BERLIN, BUENOS AIRES AND
PARIS' (POTSDAM/UNSAM)**

Date: 20th October | 10am - 4pm

Location Universidad de San Martín (UNSAM)

Organizer: DGRIC & Study BA

Event type: by invitation

In the framework of the research developed by the ECCC on the identification of best practices on climate governance and the participation of the City as a case study, an open discussion will take place to present the preliminary results of the comparative study between Berlin, Paris and Buenos Aires.

SIDE EVENTS

**STRUCTURAL CHALLENGES
FOR AFRICAN AND LATIN
AMERICAN CITIES: CLIMATE
CHANGE AND
SUSTAINABILITY (CEPI-UBA)**

Date: 20th October | 6pm - 7pm

Location Amenábar 1880

Organizer: DGRIC - UBA

Event type: by invitation

Structural challenges of African and Latin American cities that affect urban planning will be compared. With the 2030 goals and climate change in mind, issues such as environmental risk management, energy supply, pollution, waste management, public transport and spatial management will be covered in order to highlight the common challenges in these cities and the potential for cooperation in relation to their capacities.

**STAND 'FROM A DIFFERENT
PERSPECTIVE'.**

Date: 20th October | 9am - 6pm

Location Terraza CEC

Organizer: Human Development

Event type: open to the public - attendees at the Summit

In order to take advantage of the panoramic views offered by the CEC overlooking Barrio 31, there is a window of opportunity to tell the story of the social and urban integration project from a sustainable perspective. All those interested will be able to learn more about this project that the City Government has been carrying out for more than six years with a holistic approach.

**LONG-TERM STRATEGY
TOWARDS CARBON
NEUTRALITY:
WORK-LIVING ROOM WITH
AGRIBUSINESS AND ENERGY
LEADERS.**

Date: 20th October | 3pm - 6pm

Location Centro Cultural Recoleta (CCR) - El Aleph Auditorium

Organizer: Argentina Global Foundation

Event type Open to the Public - All Summit's Guests.

Argentina Global Foundation offers a dialogue-promoting space between leaders from the two significant sectors in our country, because of their job-creating potential and their capacity to impulse economy, which must take part in the discussion about Long-term Strategy on Transición, Adaptation and Mitigation Towards Zero Emission Goal.

SIDE EVENTS

**PROJECTING CITIES WITH NO
BARRIERS - POLICY
PLANNING AND DESIGNING
TO CREATE SUSTAINABLE
CITIES**

Date: 20th October | 2:15 pm

Location: UADE

Organizer: Urban Development

Event type: previous registration [here](#)
