

## Let's play Among Us!

<p><b>Task:</b></p> <p>o A: Discuss in the „meeting“ in such a way that you can present your point of view argumentatively. Your point of view should be conclusive in order to stay in the game as long as possible. Do not interrupt one another and take turns talking clockwise. You repeat this in every meeting until the imposter has been found or won. At the end of the game, reflect on each other's arguments.</p> <p>o B: „The groupmembers who were voted out are no longer allowed to actively participate in the meeting. These should, however, pick out the weakest and the strongest argument of a groupmember and justify their selection.“</p>	<p><b>Strongest argument:</b></p>
<p><b>Rules of the game:</b></p> <ul style="list-style-type: none"> <li>• Sprecht nur während des Meetings miteinander</li> <li>• Getötete Crewmates können bis Spielende nicht mehr sprechen</li> <li>• Erfüllt als Geist weiterhin noch offene Aufgaben</li> </ul>	<p><b>Weakest argument:</b></p>
