

Privacy Policy

1. Data storage and use

The data you enter for the supervision agreement are charged by the Faculty of Science of the University of Potsdam, processed and stored for the purpose of administration of the doctoral procedure.

With the exception of the Potsdam Graduate School - unless otherwise marked by you - there is no transfer of data to uninvolved third parties unless required by law. You can revoke the once given consent at any time and / or object to the future use of your data.

2. Opposition and Right

Opposition and Right in accordance with § 5 i. V. m. §§ 18 ff BbgDSG.

You can revoke any information offered by mail and/or e-mail or other consents granted at any time informally to

University of Potsdam
Faculty of Science
Dean's Office
Karl-Liebknecht-Str. 24-25
14476 Potsdam OT Golm
Germany

or by e-mail to the Dean's Office (mnfakul@uni-potsdam.de) with effect for the future. Our system administrator issue also information about your stored data and initiates if desired the complete erasure or blocking of your data.

For this purpose please send your request to:

University of Potsdam
Faculty of Mathematics and Natural Sciences
Dean's Office
Karl-Liebknecht-Str. 24-25
14476 Potsdam OT Golm
Germany

or alternatively via email: mnfakul@uni-potsdam.de

Please note that an information of this kind may be exclusively granted when you have given us your full first and last name, your current and possibly also former address, date of birth and email address. This information is intended solely for the matching, and thus provides a protection for you that no unauthorized third parties obtain your personal information.

3. Deletion of Data

Your data are stored for statistical and scientific purposes at the Faculty of Science. After the successful completion of the examination procedures they are passed in accordance with the rules of data protection to the archive of the University of Potsdam.

4. Cookies and Tracking Technologies

This site creates log files for statistical analysis of visitor traffic. For this, each time you access on the Internet offer, this is stored to a log file with the following data:

- Name of the file
- Date and time of call
- Amount of data transferred
- Notification of whether the access was successful
- Your IP address
- Previously viewed web address (referrer URL)
- Information about operating system
- Browser
- Host Name

The log file is stored on our server in Germany. The IP address is anonymized immediately after processing and before storage.

Possibly, cookies are used for the session-management. Therefore small text files are written, which are stored on your computer and stored by your browser. The cookies we use are so-called "session cookies", they are automatically deleted at the end of the session. No cookies are used to store data.

You may refuse the use of cookies by setting your browser software; however, we point out that you may not be able to use all features of the website in this case.
