

WORKSHOP

Expanding Perspectives through Collaborative Online International Learning

December 5th, 2016 | University of Potsdam | Am Neuen Palais/Golm

Collaborative Online International Learning (COIL), also known as virtual mobility/exchange, is an emerging pedagogical innovation which utilizes technology to embed meaningful first-person international interactions into classrooms. The Workshops will introduce to the usage of E-Learning tools as means for the internationalization of teaching and learning. As an introductory workshop the focus is on preparing to get started with Online International Learning @ University of Potsdam.

Dates

Dec, 5 th 10:00-13:00	Expanding Perspectives through Collaborative Online International Learning Workshop at Campus Neues Palais, House 8, Room: 0.75
