

## Information on Application Publication Costs Subsidy

for members of the Potsdam Graduate School / Postdocs

Status: May 2020

The Potsdam Graduate School (PoGS) provides subsidies for publications to temporary employed postdocs, juniorprofessors or newly appointed professors at the University of Potsdam. Thus, the result of their own research can be ensured and made accessible to the scientific audience.

### **APPLICATION DEADLINE**

There is no application deadline. You can submit your application for publication costs subsidy at any time but it has to be prior to the publication date.

The PoGS will answer your request as soon as possible in consideration of the submission date.

### **VORAUSSETZUNG FÜR EINE FÖRDERUNG**

1. Membership in the Potsdam Graduate School.
2. You can apply for publication costs subsidy for peer-reviewed articles and papers or photographic or colored figures of your own research. Subsidy can be granted for print publications that have to be available on the book market as well as for online publications.
3. The publication or invoice has to be done within one year after your application has been approved. If this deadline has expired, you need to submit a new application.
4. Dissertation-related publications can only be funded through the doctoral student funding program, NOT the postdoc funding program. However, previous PoGS members may apply through the doctoral student funding program by fulfilling the above criteria.
5. Obligation to report: You have to hand in a short, informal report and a link to your publication or a similar proof no later than four weeks after the termination of funding via email to: [pogs@uni-potsdam.de](mailto:pogs@uni-potsdam.de).

### **THIRD-PARTY AND PROJEKT FUNDS**

If your publication is financed by third-party or project funds (e.g. DFG), a subsidy by the PoGS is not possible afterwards. A grant from the Potsdam Graduate School represents additional own funds, which would reduce the original grant from the funding agency. This fact would have to be reported to the funding agency. Please also note the guidelines of the respective funding agency. In individual cases, please contact us before submitting your application.

### **SETTLEMENT OF ACCOUNTS**

As soon as your application is considered you will receive information on terms of use and details on settlement of accounts. Please note that the settlement of accounts is effected by your faculty/institute/professorship. All necessary documents have to be handed in there first (not to the Potsdam Graduate School). Please contact your responsible head of administration in this regard.
