

CEO Co-Founder Job Offer

-Personal Safety App-

Company description

We focus on personal safety. **AKC Connect** wants to change the way we protect ourselves and the ones we love from accidents, incidents, and crimes. We have a solution that uses Machine Learning and Artificial Intelligence to completely automate self-help in life threatening situations.

Job description:

We need a dynamic, ready-to-roll their sleeves and jump in the mud kind of MBA for the role of business plan developed. You will be responsible for the development of the business plan of the soon to be start-up. The main key-points you will address are:

- Our market entry point
- Our revenue model
- Our service price
- Our market expansion tactic
- Our expansion speed
- Our customer support

You must have a clear understanding of the market we are going into, experience in the domain of price determination, know the art of negotiation, and great at presentations. Your assistance will be needed in meetings with potential investors and/or competitions.

Why Join Us:

- flexible work schedule based on milestones and deadlines
- competitive salary as stated within EXIST program
- vested equity in the company over the next years
