

Testing restarts at Am Neuen Palais and Griebnitzsee – Employees-list-mail from Ulf Lepszy, 22 November 2021

Dear members of the University of Potsdam,

At our campuses Am Neuen Palais and Griebnitzsee, free rapid testing will once again be available as of Monday, November 22, 2021.

Those who work and study on Golm campus are already familiar with the process. It will be the same as the one used at the Science Park:

- 1) Visit the website www.15minutentest.de (available in several languages) and select the location Potsdam Griebnitzsee or Potsdam Am Neuen Palais.
- 2) Click “Book an appointment” and select “**Free rapid test**” (important: please use the orange button).
- 3) Enter the date and time as well as your personal data.
- 4) Download your ticket and come to the location at the agreed upon time to get tested.

Opening hours are as follows:

Potsdam Am Neuen Palais (345), Free rapid tests + PCR next Day + prescribed PCR

Monday and Friday: 08:00 a.m. to 12:00 noon

Wednesday: 12:00 noon to 03:00 p.m.

Since we were not able to book a permanent room at the campus, please pay special attention to the respective rooms.
