Instructions for Applying for an Evaluation of International Educational Degrees through uni-assist e.V.

Copies of the following documents **and** their **German (or English) translations** must be attached to the application submitted to uni-assist e.V.:

- Certificate of a secondary school degree, with an overview of grades;
- University degrees, the overall grade earned, and an overview of achievements by individual semesters (even if only single years of study were completed);
- Only for applicants from China, Mongolia and Vietnam: certificate from the Academic Evaluation Center (“Akademische Prüfstelle”);
- Only required if necessary for admission to studies in Germany: Proof of a successfully completed university entrance admission examination in your home country; for example, for applicants from Iran, Turkey or South Korea;

In addition, please provide: a copy of your passport and – if your name has changed – a copy of the documentation of your name change (e.g., a copy of your marriage license)

For important information on the basis for evaluating your certificates, please see <https://www.uni-assist.de/en/tools/check-university-admission/>
