- After resubmission, there were still issues on the list “The Cosmopolitan Youth”, nonetheless, we could validate all candidacies on the list.

17:08: Phaedra leaves the call and follows via chat due to connectivity issues

Item 2: Printing of ballot papers

- Francis and Silvan have created the ballot papers.
- The ballot papers were printed on Tuesday and were sent to the Wahlgeschäftsstelle for the delivery to postal voting requestors.

Item 3: Wahlomat for the election

- We were pointed to an open source version of Wahlomat.
- We think this is a very good project and can help at taking an informed vote.
- Unfortunately, we cannot see how this project can be carried out properly in the short time frame, since it requires a lot of preparation and communication with all participating lists.
- Nonetheless, we will document the project and recommend it to the next StWA, who could prepare it accordingly.
- Jan will write an answer to the recommending person.

- Ali will book the rooms for the vote counting on 16th and 17th July.
- There will be another meeting on the organization of the vote count on Monday, 6th July, 18:00.
