4. Acceptance of today's agenda

5. Clews Fiesta

Andreas presented the program. Document can be seen in the FSR group chat on Discord.

Updates from the teams?

- Bianca will take over part of the moderation.
- Hometown Icebreaker will be cut.
- Flo and Benny will rent a car and pick up food/drinks from REWE as well as the speakers

6. Finance

All the nice finance stuff:

We have a rest budget of roughly 342€. Now would be a nice time to think about how and where we want to invest this money. Money will have to be used until new financial year (october) otherwise it get's back. Games? Stuff for the room? We could get a kettle for colder months, for example. Sports Equipment? Ideas:

- New music box
- Fan for student room
- 2nd hand monitor (probably Flo can give a monitor from her WG)
- First Aid material (but apparently we can get it from the university)
- Hot water bottle

7. Vefa report

- FSR Romanistics is being dissolved
- Endorsement of the Student Parliament's resolution "Solidarity with the student representative bodies in Saxony-Anhalt", Emma voted in favour

1. Attendance

Members present: Alex, Benny, Bianca, Emma Griese, Flo, Jonas, Pauli, Tanaumi

Members absent: Emma Gerlach, Faith, Marissa Silke, Sophia

Guests: Louis, Andreas

2. Determination of quorum

50% or more present? **Yes , with 8 out of 13**

3. Acceptance of the previous protocol

The Protocols of the last two FSR meetings on 17 June 2026 written by *Emma* and on 03 June 2026 written by *Flo* are **accepted with (8/0/0)**.

- Elections student parliament (StuPa) 16-17.07
- Petition by the teacher training FSR: Teachers in Brandenburg must specialise in either lower secondary education or upper secondary education. However, specialising in lower secondary education entails so many disadvantages that students are leaving Brandenburg as a result. For this reason, they are calling for specialisation in lower secondary education to be made an option on an equal footing <https://weact.campact.de/petitions/gleichstellung-jetzt-brandenburgs-lehrkraefte-unterstuetzen>
- do we get invitation mails from vefa?

Next Vefa: 16.07 18:15 in Golm (2.25.F0.01)

8. Heatwave

Jonas talked to CLEWS students. They had the impression that the university didn't handle the heatwave good. Main critics:

- No communication from the university (e.g. warning, tips for handling it, information)
- (Almost) no options offered for joining lecture/classes online, especially with many people commuting from Berlin
- No option for cool spaces with AC. Library in Golm could have been opened on Sunday.
- Maybe there should've also been an option to extend deadlines

What do we as a FSR want to do about it?

- Inform our own student body.
- Going to VeFa to talk about it. As nobody of us will be there next time, we could ask the other Geo FSRs.
