The University of Potsdam, Faculty of Economics and Social Sciences, invites applications for the following position to be filled as soon as possible:

**Professorship (W 2) for Business Administration, especially Innovation Management**

The professorship includes research and teaching responsibilities in the business area of Innovation Management. Candidates are expected to have a track record of excellent research in this field in accordance with internationally recognized methodological standards, as evidenced by regular publications in reputable international and national scientific journals. Applicants are to have excellent skills in empirical research methods.

An outstanding dedication to teaching is required. Candidates must be able and willing to teach in both German and English.

The University of Potsdam is a member of the "Berlin Doctoral Program in Economics and Management Science" (BSE/BDPEMS, [https://bdpems.wiwi.hu-berlin.de/portal/](https://bdpems.wiwi.hu-berlin.de/portal/)). Applicants should be willing to actively participate in this program. With the "Potsdam Center for Quantitative Research" (PCQR, [https://www.uni-potsdam.de/en/pqcr/](https://www.uni-potsdam.de/en/pqcr/)) and the "Center for Economic Policy Analysis" (CEPA, [https://www.uni-potsdam.de/cepa/](https://www.uni-potsdam.de/cepa/)), the Faculty of Economics and Social Sciences disposes of two interdisciplinary research facilities. There are plans to create another focus in the field of sustainable development.

For further information, please contact Prof. Dr. Uta Herbst ([uta_herbst@uni-potsdam.de](mailto:uta_herbst@uni-potsdam.de)).

The following application requirements for professors must be documented in accordance with Section 41 of the Brandenburg Higher Education Act (Brandenburgisches Hochschulgesetz, BbgHG): a completed university degree, pedagogical aptitude, and a particular ability for scientific and scholarly work, typically documented by a dissertation project; comprehensive competences in science management and additional scholarly achievements as evidenced by a Habilitation (post-doctoral dissertation), a junior professorship or work as a research associate at an institution of higher education or an extramural research institution, or scholarly activity in the private sector or in another social field, whether in Germany or abroad. The appointment procedure is conducted in accordance with Section 40 BbgHG.

The University of Potsdam aims to increase the proportion of women in research and teaching and therefore expressly invites qualified female candidates to apply. The University of Potsdam values the diversity of its members and pursues the goals of equal opportunities regardless of gender, nationality, ethnic and social origin, religion/belief, disability, age, sexual orientation or identity. In the case of equal suitability, women in accordance with Section 7 (4) BbgHG and severely disabled people will be given preferential consideration. We explicitly invite applications from abroad and from persons with a migration background.

The University of Potsdam offers dual career support and coaching for newly-appointed professors: [www.uni-potsdam.de/en/berufungen/](http://www.uni-potsdam.de/en/berufungen/).
Please submit your application (including a research and teaching concept for this professorship, curriculum vitae, copies of academic certificates and documents, list of publications, list of courses taught, list of externally funded projects as well as the three publications most relevant to this position and teaching evaluations for the three courses taught that were most relevant to this position) via e-mail to ausschreibung-en@uni-potsdam.de (in a single PDF file) within four weeks of the publication of this advertisement.
