

GENERAL INFO FOR FAMILIES

Potsdam's **family pass** includes cultural, athletic and educational offerings for families. Whenever you present it, you receive discounts on several great offers. It is valid for one year starting in July, and available in tourist information centers, selected bookstores and at the city hall for € 2.50.

The **family magazine Potskids** is published on a monthly basis and provides information about current family offers. You will find it in facilities for children, centers for families, and online.

The city's website **families in Potsdam** gives important addresses surrounding the topic of children.

The **children's map of Potsdam** shows playgrounds, sports fields and soccer fields, children's clubs and cultural institutions, sightseeing destinations, and places to experience nature.

ACTIVITIES FOR FAMILIES FROM THE UNIVERSITY OF POTSDAM

In the **Equal Opportunity Coordination Office** you can get comprehensive assistance on finding balance between studies, work and family, flexible child care, and further services from the University of Potsdam (the office can be contacted in English).

There is a **parent-child room** on every university campus with a changing table, toys, a children's bed, and a workstation.

The **Unicamp for University Kids** offers a two-week holiday program with lots of activities for 6- to 12-year-old children of university employees (the unicamp organizer can be contacted in English).

At the **Children's University**, children can dive into the world of the sciences for one day each September and participate in lectures that have been fine-tuned for children.
