

# SAP Student Day 2021

## Explore SAP – Discover Your Future

### December 1st, 2021

#### How can I change people's lives for the better?

Which role can technology and creativity play in this?  
What could my voice be in one of the world's leading IT companies?  
SAP – What do they actually do?

#### So many questions!

Have them answered by real people who make real differences.

#### Learn about...

SAP Technologies, Solutions, and Industries  
Find out about our products and solutions that make the world run better and improve people's lives.

#### #LifeatSAP

Learn about life at SAP. Find out how we operate and innovate, work, play, and give back.

#### SAP Career Paths

Be excited to learn that at SAP, you can be whatever you want to be. Just be the best you are.

#### You are:

- A student at a university or school?
- A graduate, or PhD graduate?
- Excited about people, technology, and innovation?
- Curious about getting to know SAP?

- Then mark the 1st of December in your diary.
- Create your own program... by picking your favorites from over 20 sessions.
- Come along for an exciting day of discovery.
