

# **Vacancy**

# **Student | Research Assistant**

10 hours per week or more

The Chair of Business Informatics, Social Media and Society at the University of Potsdam offers a position as a student | research assistant (SHK | WHK with or without a degree) for 10 hours per week starting **July 15, 2023 or later**.

The student | research assistant will support the Chair in research and teaching activities. The work can be done remotely or in our office (Digital Villa, Campus Griebnitzsee, Karl-Marx-Straße 67, 14482 Potsdam).

### We offer:

- Flexible working hours
- A chance to apply your competencies and creativity in the context of course design, thus being a co-creator
- Working with a young and dynamic audience (students and researchers)
- Opportunity to participate in research activities and workshops
- An inside look at conducting academic research

#### Your tasks:

- Community management (students are the primary audience)
- Assist with course design (e.g., development of slides and teaching materials)
- Grading assignments
- Other administrative tasks

# **Requirements:**

- Student of business informatics, sociology, psychology, economics, or a related field
- Excellent English language skills, proficiency in German will be an advantage
- Competence in a variety of statistical topics, including descriptive and graphical methods, inferential statistics (from z-tests through ANOVA and other methods), sampling methods and analysis, process and quality control, regression/ linear modeling methods, factor, and cluster analysis, will be an advantage
- Experience with common statistical technologies (Excel, SPSS, R) will be an advantage
- Interest in grasping unknown methods quickly
- Excellent interpersonal skills and ability to troubleshoot problems calmly in potentially stressful situations

Please send your application documents (short cover letter, CV, copies of certificates) via e-mail to Dr. Olga Abramova (<a href="mailto:oabramov@uni-potsdam.de">oabramov@uni-potsdam.de</a>) until May, 15. Applications will be processed on a rolling basis.

Please note that the HR department of the University of Potsdam needs at least 2 months to prepare a contract. Hence, the earlier one applies – the earlier one starts.
