

International Study Abroad and Exchange

The Graphics on this cover is inspired by our student geo-data, to visualise the diversity in backgrounds and culture.

“Our strong partnerships with industry and professional bodies produce courses that are innovative, industry relevant and cutting-edge.”

Welcome

I'm pleased to introduce you to the UTS Study Abroad and Exchange program – a world-class educational experience providing opportunities to broaden your academic, personal and professional horizons. The UTS Study Abroad and Exchange program offers an excellent education at one of Australia's quality teaching universities, combined with a rich, exciting learning experience in Australia's global city – Sydney.

UTS welcomes more than 1000 study abroad and exchange students each year from around the world. It's always pleasing to see the significant cultural and linguistic diversity of students who choose to study abroad at UTS. With around 42,600 students from 120 different countries, UTS is a reflection of Sydney's multicultural diversity.

A place in the UTS Study Abroad and Exchange program offers you an internationally respected education. Our strong partnerships with industry and professional bodies produce courses that are innovative, industry relevant and cutting-edge.

Our international standing is reflected in our university rankings, which include being ranked first in Australia in the QS top 50 under 50 and Times Higher Education's Young University Rankings.

Students at UTS benefit from learning and collaborating in state-of-the-art facilities, which provide a vibrant campus environment where students can collaborate, study and relax. Located in the heart of Sydney, UTS is also in easy walking distance to Sydney CBD and Central Station, Sydney's major transport hub.

As you read through this course guide, you will discover the benefits of studying at UTS and living in Sydney – where you can enjoy a world-class education in the heart of one of the world's great global cities.

I look forward to seeing you on campus in the near future.

Professor William R Purcell
Deputy Vice-Chancellor and
Vice-President
(International and Advancement)

UTS has committed to a 20 per cent reduction in greenhouse gases (from 2007 levels) by 2020/21.

You'll be happy to know that this course guide has been printed on environmentally friendly paper.

For more information, visit:
sustainability.uts.edu.au

UTS is a member of the Australian Technology Network (ATN), an influential alliance of five distinctive and prominent Australian universities located in each mainland state. ATN is committed to forging partnerships with industry and

government to deliver practical results through focused research.

The network educates graduates who are ready to enter their chosen profession, dedicated to the pursuit of knowledge and eager to claim a stake in building sustainable societies of the future; and continues to champion the principles of access and equity that have ensured its members are the universities of first choice for more students.

Acknowledgement of Country

UTS acknowledges the Gadigal People of the Eora Nation and the Boorooberongal People of the Dharug Nation upon whose ancestral lands our campuses stand. We would also like to pay respect to the Elders both past and present, acknowledging them as the traditional custodians of knowledge for these lands.

Study in the heart of Sydney

Sydney is an exciting harbour city known world-over for its beautiful beaches, national parks, cultural diversity and relaxed suburbs.

The mild climate and relaxed attitude make Sydney an ideal place to enjoy the outdoors and celebrate cultural diversity.

UTS IS:

5 minutes' walk to Central Station and Chinatown.

10 minutes' walk to cinemas, theatres, cafes, galleries, markets and live music venues.

10 minutes minutes by train to the Opera House.

30 minutes by public transport to Bondi Beach or Coogee Beach.

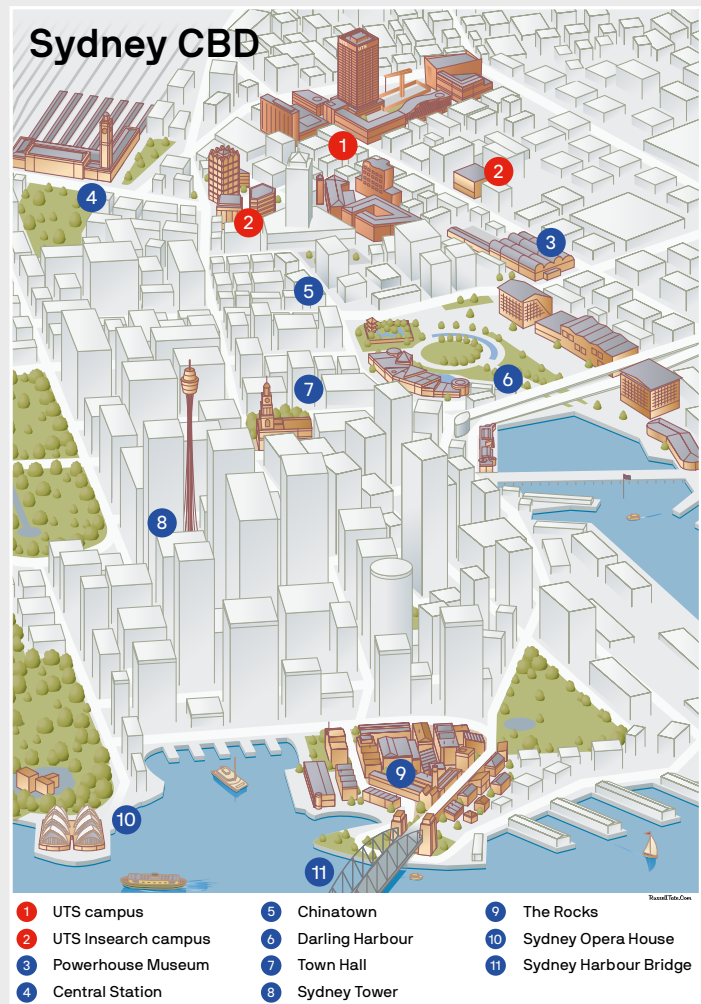

90 minutes by train to bushwalking, camping and rock climbing in the Blue Mountains.

WHERE WILL I STUDY?

The UTS campus is in the heart of Sydney, a five-minute walk from Central Station – Sydney's main train and bus station. Our central location means you can easily access Sydney attractions, entertainment and essential services from our campus doorstep.

The university is located within Sydney's digital creative industries precinct, close to major design, architecture, advertising, fashion and media businesses, and film and television broadcasters. More than 40 per cent of Australia's creative and digital businesses are located in Sydney.

The highest density of technology start-ups in Australia is also based in the suburbs surrounding UTS, meaning you'll have ready access to the thriving Sydney entrepreneurial community, and can join in through the UTS Hatchery.

FACTS

5.0 million

Population of Greater Sydney (ABS)

Top 10 'must do' things in Sydney

- 1** Catch the ferry with the locals to Manly for priceless views of Sydney Harbour.
- 2** Visit the iconic Sydney Opera House; see a performance if you can.
- 3** Walk the Coogee to Bondi Beach coastal track and cool off with a swim along the way (in between the flags, of course!).
- 4** Take in the view from Taronga Park Zoo as you visit some of Australia's unique native animals.
- 5** Walk across the Sydney Harbour Bridge and take in the breath-taking views of the city and harbour.
- 6** Catch a flick at one of the open air cinemas in summer. The cinema at Mrs Macquarie's Point offers the Harbour Bridge as a backdrop.
- 7** Explore Sydney's unique convict heritage in The Rocks, and walk round to Barangaroo Reserve, with its harbour lookouts and striking foreshore.
- 8** Enjoy the restaurants and incredible weekly fireworks displays at the Darling Harbour entertainment precinct. Better still, stay for New Year's Eve fireworks if you can make it!
- 9** Go sport-mad like an Aussie! Catch a game of cricket, tennis, rugby league, Australian rules footy (AFL) or even soccer, at one of our many sports grounds – pick a team and wear their colours.
- 10** Venture to the World Heritage listed Blue Mountains west of Sydney, or the beautiful Royal National Park (South) or Ku-ring-gai Chase National Park (North) for bushwalking and spectacular scenery.

“I decided to study in Sydney because I wanted to experience something new in an English-speaking country. I love the personality of the people – they are very friendly and open-minded.”

JULIAN REJMANOWSKI

Studied: Management

Sydney's city university

The University of Technology Sydney (UTS) is a modern university, offering one of the largest student mobility programs of any Australian university.

Our hands-on teaching and learning style builds your practical skills and academic knowledge and challenges you to think critically and learn actively.

LEARNING WITH YOU IN THE CENTRE

At UTS your learning experience may be quite different compared to that at your own institution. This is because we have flipped the way you'll learn on its head. No more one-way lectures or teacher-knows-all, but an approach that puts you at the centre of your learning experience. We do this through collaborative projects, real-life case studies, and the integration of technology into everyday teaching. UTS's model of learning is award-winning. We hope that it will excite you and leave you equipped for a life full of ongoing learning and development.

AREAS OF STUDY

UTS offers study abroad and exchange subjects for undergraduate and postgraduate level students in the following faculties:

- Arts and Social Sciences (Communication; Education; International Studies)
- Business
- Design, Architecture and Building
- Engineering & Information Technology
- Health
- Law
- Science
- Transdisciplinary Innovation

Note: UTS cannot guarantee that all subjects and study areas will be available for study abroad and exchange students. To ensure your study area is available, check the **UTS Study Abroad and Exchange Subject Guides** for more information: uts.edu.au/study-abroad-subjects

"I love the campus. It's bigger than the one at home, so I just love being able to go to different buildings and learn in different spaces. I also like how the staff are very friendly, they're approachable."

BARBARA MENDOZA

Your program options

We offer a variety of study abroad and exchange options ranging from full-time English-language courses through to coursework programs of one or two teaching sessions and up to four teaching sessions for postgraduate research.

Whether you're interested in enrolling in standard classes, conducting research or improving your English, you'll find a program to suit your needs.

Thinking of taking a gap year between high school and university?

As a high school graduate, you may be able to join the study abroad program at UTS before you commence university in your home country! To see if you meet the entry requirements, refer to page 32 of this guide.

For information on fees, entry requirements and how to apply, see pages 32-33.

OPTION 1

STUDENT EXCHANGE

- open to eligible students who are enrolled at an official UTS exchange partner institution (see page 34-36 for a list of our exchange partners)
- enrol in full-time studies and gain credit at UTS for **one or two sessions** with the approval of your home university
- you are not required to pay tuition fees to UTS, but may still have to pay regular fees at your home university
- discuss your study plan with your home university academic adviser and our team will be happy to assist you with the subject approval process
- once your home institution has approved your exchange, they will submit your details to UTS, and you will then be invited to apply online.

OPTION 2

STUDY ABROAD 24

- open to students from any recognised university, or high school (conditions apply)
- enrol in full-time studies and gain credit at UTS for **one or two sessions** with the approval of your home university or study at UTS for your personal interest
- discuss your study plan with your home university academic adviser, if required, and our team will be happy to assist you with the subject approval process
- pay the UTS Study Abroad tuition fee
- apply to UTS directly or through one of our official student recruitment agents, partner universities or a UTS representative in your home country
- you may be eligible for scholarships, awards or grants that UTS offers from time to time. Check the website for details: uts.edu.au/future-students/international/study-abroad-and-exchange-students/fees-and-living-expenses

Photo: Anna Zhu

Photo: Anna Zhu

OPTION 3

STUDY ABROAD 18

- Study Abroad 18 offers you the chance to study a **reduced number of credit points** (18 per teaching session rather than the usual 24) and **pay a lower tuition fee**
- the lighter study load and lower costs make Study Abroad 18 an excellent way to experience more of the Australian and Sydney culture.
- you may be eligible for scholarships, awards or grants that UTS offers from time to time. Check the website for details. - **uts.edu.au/future-students/international/study-abroad-and-exchange-students/fees-and-living-expenses**

OPTION 4

AUSTRALIAN LANGUAGE AND CULTURE STUDIES

- open to students who do not meet the required English language level to enrol in other UTS study abroad and exchange programs*
- allows you to complete full-time studies that will develop your English language skills through the study of Australian language, society and culture
- you can enrol in full-time studies at UTS for **one or two teaching sessions** with the approval of your home institution
- taught on campus by UTS faculty staff
- students who enrol in this program for two teaching sessions may choose to take an IELTS test at the end of their first session to see if they are eligible to transfer into a different study abroad or exchange option for their second session

OPTION 5

VISITING RESEARCH STUDENTS PROGRAM

- open to all graduate level research students enrolled in a master's by research degree or PhD at any recognised university or college
- you can apply to undertake supervised research at UTS for **one to four teaching sessions**, with the approval of your home institution
- you are required to pay a flat fee to UTS to cover the cost of supervision and tuition
- discuss your research plans with your home university supervisor
- you should then make contact with an appropriate supervisor at UTS

* The minimum English proficiency requirement for the Australian Language and Culture Program is IELTS 5.0 (all bands) or TOEFL Internet Based Test 35 and above with a writing score of at least 17.

Other study abroad options at UTS

UTS may also offer specialised study abroad programs from time to time. Visit our website to view all study abroad options and subject areas available at studyabroad-exchange.uts.edu.au

For information on fees, entry requirements and how to apply, see pages 32-33

studyabroad-exchange.uts.edu.au

Arts and Social Sciences

If everyone was taught how to respect one another or could just talk about it, the world would be a better place, right? At UTS we really believe this. That's why our Faculty of Arts and Social Sciences helps you to develop the skills to change the world.

Our Schools of Communication, Education and International Studies offer a diverse range of subjects. Besides the subjects that you would expect in these study areas, we also offer less obvious subjects, like Social and Political Sciences, Music and Sound Design, Cultural and Global Studies, History and Sociology.

Whatever your passion may be, UTS will help you develop critical thinking and practical skills with an international perspective. So you'll learn what is needed to impact our collective future.

Our vision of communication is also highly regarded in international rankings. UTS is ranked in the top 100 for 'Communication & Media Studies' in the QS World University Subject Rankings 2017.

"I enjoyed the knowledge I got about the media industry. It helped me to broaden my horizons and to explore the media industry more."

*We offer Language and Culture subjects in six Asian and European languages from beginner through to advanced levels. Students may be required to take a test for placement into the correct language level.

Note: The UTS Faculty of Arts and Social Sciences may accept exchange and study abroad students for coursework subjects in Education, on a case-by-case basis. Teaching placements are not available.

Note: Teacher Education students operate on an alternative calendar (Calendar B) that meets their accreditation and practicum needs.

UTS Business School

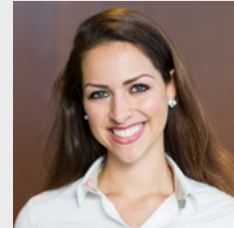

At UTS we like to get down to business. This not only means offering you a world-class business education that is recognised globally. It also means you will learn in award-winning facilities in the heart of Australia's most prominent business, technology and creative precinct. That's how we do business at UTS!

The UTS Business School is one of a select number of business schools worldwide accredited by the Association to Advance Collegiate Schools of Business (AACSB). It is also ranked in the top 100 of the world for 'Accounting & Finance', 'Business & Management Studies' and 'Economics and Econometrics' in the QS World University Subject Rankings 2017.

We are ready for the future of thinking in the business world. Are you?

Health

Good health is no longer just a matter of strong genes or fortune. Health is a science and our knowledge of the human body continues to grow.

As a Health student at UTS you'll be part of this development. Our globally relevant education is an excellent mix of practice and theory, and will prepare you for the health care systems of today and tomorrow. So you can contribute to a healthier world.

Our excellent reputation is also reflected in world rankings. We're proud to say that we are ranked 4th in the world and 1st in Australia for 'Nursing' and 41st in the world for 'Sports-related Subjects' in the QS World University Subject Rankings 2017.

“The lecturers are really helpful with international students, especially during the tutorials. They're approachable; it's more like talking to a friend. And I like the tutorial-style classes because it feels more practical, even if you're discussing something theoretical. That's helped me a lot.”

Science

Imagine working in a Super Lab. You're surrounded by more than 200 students who are running all kinds of different experiments at the same time. It's every scientist's dream, right?

At UTS our science facilities aren't limited to having a Super Lab - the first of its kind in Australia. Forensic science students can study in a unique Crime Scene Simulation Lab, while our researchers use the world's first super microscope to study the cell biology of living microorganisms at super-resolution.

But state-of-the-art facilities are just the beginning. Our internationally recognised academics will help you make the most of these.

“The facilities at UTS are awesome, especially the new buildings and laboratories. I had a subject in Crime Scene Investigation and used the Crime Scene Simulation Lab at UTS. After we discussed the theory with our lecturer, there was a laboratory simulation where we learnt how to solve problems.”

Transdisciplinary Innovation

Futurists predict that 50 per cent of the jobs in 2030 don't exist yet. Don't be alarmed! Our new Faculty of Transdisciplinary Innovation (FTDi) offers you degrees at the intersection of technology, creativity and innovation. Just like industry demands.

Designed for radical and curious thinkers, our courses will push the boundaries of your creative transdisciplinary thinking. You will advance learning beyond the traditions of the disciplines and explore how you can work to create new solutions for a future world.

FTDi courses at UTS will help you become a lifelong innovator, entrepreneur, creative practitioner, technology thinker and change-maker. Prepare yourself and start thinking differently today.

STUDY AREAS

- Creative Intelligence and Innovation
- Technology and Innovation

Photo: Anna Zhu

“What the Data Science and Innovation course sets apart from other degrees is its transdisciplinary and practice-based approach to learning. There is a large practical component to the program to ensure that students come out of their shells and develop crucial communication skills, collaborating with peers in the community. In my opinion, the Data Science and Innovation degree is a family!”

YOGITHA MARIYAPPA

Australian Language and Culture

The world is becoming one place. Argentinian YouTube movies are liked in Russia, people in Thailand know Justin Bieber's songs by heart, while here in Australia, we watch Britain's Got Talent!

To participate in the world nowadays, a good understanding of the English language is vital. At UTS we offer you the opportunity to develop your English language skills and learn about our beautiful country at the same time.

The Australian Language and Culture Studies (ALACS) program at UTS is very flexible. Enrol in one subject as an elective, or select the full ALACS program to master your English and enhance your knowledge of Australia. Even better, once you've improved your language skills in class, you can take an IELTS (English language test) test at UTS. If your test results meet the UTS English Proficiency Requirements, you can transfer into the regular study abroad or exchange programs the following session, if you wish!

SUBJECTS (3 PER SESSION):

- Australian Language Studies
- Australian Media
- Australians at work
- Australian conversations
- Exploring Sydney's Neighbourhoods
- Natural Australia

“Studying here has really improved my critical thinking, my English and horizons. These subjects gave me a precious chance to get to know more about Australian culture.”

HUA HAN

Home country: China

Research

uts.edu.au/research-and-teaching/our-research

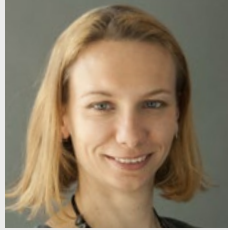

At UTS, our research answers the big questions. Our growing reputation for future-focused research in emerging disciplines is focused on five theme areas:

- health
- data science
- sustainability
- future work and industry
- social futures

From questions of technological disruption to the future of health care, big data and new ways of working, we're delivering real solutions to the challenges of today – and tomorrow. We're collaborative too – we work closely with industry and academic partners across the globe to drive meaningful change in the world around us.

Our Visiting Research Students program facilitates the sharing of knowledge. This would normally be for one session, but you can come for up to four sessions (two years). Make sure you get approval from your home institution – where you are enrolled in your PhD or Masters by Research degree – so the sessions completed at UTS will contribute to your home degree.

Got any questions? Please contact the UTS Graduate Research School for assistance and further details.

Choosing your subjects

As a study abroad or exchange student, you can choose from hundreds of subjects across a range of study areas. These three steps will help you select your subjects before you apply to UTS.

STEP 1. DOWNLOAD STUDY ABROAD AND EXCHANGE SUBJECT GUIDES

Download our Study Abroad and Exchange Subject Guides from our website. The guides highlight popular and recommended subjects we offer in:

- Arts & Social Sciences – Communication, Education, International Studies
- Business
- Design, Architecture & Building
- Electives - subjects open to all study backgrounds
- Engineering & Information Technology
- Health
- Law
- Science

You can download the Subject Guide for your study area here:

uts.edu.au/study-abroad-subjects

For further subject information across all study areas at UTS, visit the UTS Handbook: handbook.uts.edu.au

STEP 2. CHOOSE SUBJECTS USING A SUBJECT CHECKLIST BEFORE APPLYING TO UTS

A full-time load for one teaching session is between 18 and 24 credit points (usually 3 or 4 subjects). When choosing your subjects, check:

- the credit point value for each subject
- whether the subject is available in the applicable calendar and teaching session: Autumn (March start) and/ or Spring (July start). Our handy **Online Timetable Planner** can help you with this: uts.edu.au/uts-timetable-planner
- whether there are pre-requisites or assumed knowledge. In some cases, if you have taken an equivalent subject in the past, you can apply for an exemption.

Not sure which subjects to choose? Download the *Electives Subject Guide* which lists subjects that are open to students from all disciplines and do not have prerequisites: uts.edu.au/study-abroad-subjects

STEP 3. SEEK APPROVAL FROM YOUR HOME UNIVERSITY BEFORE APPLYING TO UTS

Once you have selected your preferred UTS subjects, give your home university the subject outlines from the UTS Handbook. Once your home university's academic adviser has approved your study plan, you can apply to UTS.

Note: Subjects with a practical component (such as in nursing and teacher education) are restricted. Applicant eligibility to enrol in these subjects will be assessed on an individual basis.

Note: Some environmental studies subjects include field trips, which may be offered outside the normal teaching periods and incur extra costs.

Pre-enrol before you arrive

Subjects approved by UTS are added to your session's study plan. Once they have been added, you can enrol yourself into 18 to 24 credit points before you leave home.

Photo: Anna Zhu

Credit, classes and assessment

Learn more about classes, assessment and gaining academic recognition for your study at UTS.

CREDIT TRANSFER

Study abroad and exchange students must enrol in a full-time load at UTS. The full-time study load is 18-24 credit points per teaching session. Credit points apply to all subjects (except higher degree research programs) and represent a measure of the student's workload by subject. Most subjects at UTS are 6 credit points each, except for those offered by the Faculty of Arts and Social Sciences, which are 8 credit points.

CREDIT POINTS

The information below is a guide to the equivalent credit points from your home country to UTS credit points.

EUROPE

1 UTS credit point	1.25 ECTS credits
6 UTS credit points	7.5 ECTS credits
8 UTS credit points	10 ECTS credits
24 UTS credit points (full time load)	30 ECTS credits

NORTH AMERICA

6 UTS credit points	approx. 4 US credit hours
8 UTS credit points	approx. 5 US credit hours
24 UTS credit points (full time load)	approx. 15 or 16 US credit hours

CHINA

If you are a student coming from China, you will find that 24 UTS credit points are approximately equivalent to 7-9 subjects at most Chinese universities.

CONTINUOUS ASSESSMENT – STUDY EXPECTATIONS

Information about coursework assessment is given to you online during Orientation. You will be required to commence your learning during the orientation period, before formal teaching begins.

Most UTS subjects are taught through a mix of lectures and tutorials, seminars or laboratory sessions. Some subjects will require students to undertake new flipped learning style activities, different from traditional lecture and tutorials. Visit our website to learn more about UTS's award-winning teaching and learning style.

Assessment requirements may include major written assignments, active tutorial participation, practical work, projects, short tests, group work and group assignments, seminar presentations and a mid-session or final exam. In some subjects, the final exam may be worth 20 to 60 per cent of the final subject grade. Some subjects have no final exams.

Most subjects at UTS normally require a minimum study requirement of between 12 and 24 hours per week in order to pass.

CLASS SIZES

Class sizes vary depending on the popularity of a subject and the nature of teaching. Normally, subjects involving tutorial classes have 20 to 30 students in a classroom.

ACADEMIC YEAR

The academic year at UTS is divided into three teaching sessions:

- Autumn session (March to June)
- Spring session (July to November).
- Summer session (November to February – No admission for Study Abroad and Exchange students)

Each session has 15-16 compulsory teaching and learning weeks.

ACADEMIC TRANSCRIPTS

The academic transcript is a record of subjects studied, final grades and marks awarded. UTS issues transcripts at the end of each teaching session once the exam results have been finalised.

As an **exchange student**, you will receive your academic transcripts from UTS through your home institution. At the end of each teaching session, the exchange officer will send two academic transcripts to the international office at your home university.

As a **study abroad student**, one original transcript is sent to your home address or your authorised representative. Upon request, an official copy of the transcript can also be sent to your home institution for credit transfer processing. Your home institution will determine how credit will be transferred.

You can also request an academic record by completing the Online Statement of Academic Record application on My Student Admin (online). UTS will then prepare and mail your transcript for a fee.

STUDY ABROAD CERTIFICATES

Students who successfully complete the UTS Study Abroad program are issued a Certificate of Completion. This certificate is issued with your academic transcript from UTS.

STUDENTS ARE AWARDED ONE OF THE FOLLOWING GRADES AFTER COMPLETING A SUBJECT AT UTS

H – High Distinction	85–100%	Work of outstanding quality on all objectives of the subject
D – Distinction	75–84%	Work of superior quality on all objectives of the subject
C – Credit	65–74%	Work of good quality showing more than satisfactory achievement on all objectives of the subject
P – Pass	50–64%	Work showing a satisfactory achievement on all objectives of the subject
Z – Fail	0–49%	Work showing an unsatisfactory achievement on one or more objectives of the subject

Note: Some courses award only a Pass or Fail grade. Autumn session results are released in mid-July, and Spring session results at the end of November or mid-December depending on your academic calendar.

Services and support

Studying overseas is a rewarding opportunity to broaden your experience and outlook, but it can also be challenging. UTS provides the support you need to develop academic and professional skills, feel confident in your study and maintain your wellbeing.

ORIENTATION

orientation.uts.edu.au

To help you get to know the university campus and services, UTS runs a compulsory Orientation program in the week(s) before formal teaching begins. During Orientation, new students can familiarise themselves with the university's services and facilities, start on their learning journey, attend Faculty welcomes, and get to know the UTS learning style and technologies. You will actually commence your studies in this week(s), so when classes start you are already prepared. It's also an excellent way to meet staff and students from Australia and overseas.

Note: Orientation is a compulsory week(s) at the start of each session. In Autumn session, for students following the main UTS calendar, Orientation runs for three weeks. In Spring session, Orientation runs for one week for all students.

Arrival tips

Aim to arrive in Sydney at least two weeks before classes start in order to participate in Orientation and to find suitable accommodation.

UTS International offers a complimentary airport shuttle service from Sydney International Airport to either UTS or a convenient CBD location to new international and study abroad and exchange students who arrive in the two weeks before Orientation begins.

UTS INTERNATIONAL

international.uts.edu.au

The UTS International team offers you advice and support during the application process and throughout your studies at UTS. Our student advisers can assist with general enquiries, and will keep you up-to-date with important news and events around UTS via our international students' e-newsletter and social media.

SAFETY AND SECURITY

UTS fosters a safe and secure environment for students, staff and visitors, with 24-hour security assistance on and around campus. This includes accessible security officers, regular patrols, an emergency telephone network and closed-circuit television cameras.

GENERAL SUPPORT SERVICES

uts.edu.au/current-students/support

UTS provides a wide range of on-campus services for students, including:

- medical services
- counselling services
- accessibility services for students with a disability or ongoing medical condition
- financial assistance and advice
- multi-faith chaplaincy and prayer rooms
- support services for LGBTIQ+ students
- traditional Chinese medicine clinic

ACADEMIC SUPPORT

uts.edu.au/current-students/support

UTS offers English language and academic literacy support including weekly study, reading, writing and speaking skills workshops, writing clinics, intensive academic English programs and individual consultations for assistance with assignment writing and referencing

- HELPS

helps.uts.edu.au

UTS's Higher Education Language and Presentation Support program (HELPS) provides non-credited English language and academic literacy support to students, including assignment writing assistance, daily workshops, writing support sessions and English speaking practice.

UTS HELPS can register eligible Study Abroad and Exchange students for special examination conditions, including use of dictionaries and allowances for additional time in UTS exams.

uts.edu.au/current-students/support/helps/special-conditions-exams-students-non-english-speaking-backgrounds

- U:PASS

uts.edu.au/current-students/support/upass

U:PASS is designed to assist students who are studying subjects that are perceived as difficult or that historically have a high failure rate. These small group sessions are run by UTS students who have already successfully completed the subject, and are informal, flexible and responsive to students' abilities and needs.

Photo: Anna Zhu

UTS LIBRARY
lib.uts.edu.au

The UTS Library's services and resources include:

- a librarian who is dedicated to helping international students and those whose first language is not English
- a program of workshops and online modules through the Heads Up program
- 24-hour global access to the catalogue, and Australian and international databases online
- presentation and group discussion rooms and silent study areas
- training sessions for postgraduate research students
- Researchers' Centre – a dedicated space in the library for postgraduate research students and staff
- computers installed with Chinese, Korean and Japanese software

CAREERS SERVICE
careers.uts.edu.au

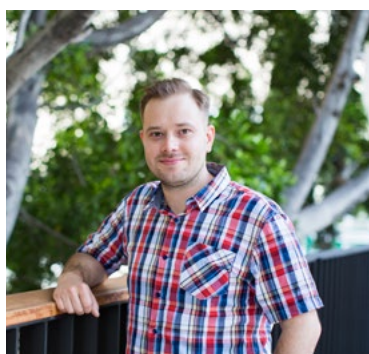

The UTS Careers Service offers:

- career consulting
- work-ready programs
- assistance in finding work opportunities
- planning resources
- job-search strategies and events
- help with resumes, applications and interviews
- Accomplish program - a free, year-long program designed to increase students' success in the graduate recruitment process and throughout their career

STUDENTS' ASSOCIATION
utsstudentsassociation.org.au

The Students' Association represents all UTS students. Their services include:

- an Overseas Student Officer representing and supporting international students
- the **Bluebird Brekkie Bar**, a free, sustainable pop-up breakfast café open every Tuesday and Wednesday morning during teaching periods
- the **Night Owl Noodle Bar**, a free, sustainable pop-up noodle bar where you can get free noodle soup every Thursday late afternoon/ evening during teaching periods
- a **food co-op** where you can purchase fresh, organic fruit and vegetables
- the campus student newspaper, *Vertigo*

VITALY KUZENKOV

Home country: Russia

Studied: Information Technology

“One UTS support service that has really helped me was UTS HELPS. When I started at UTS, I wasn't confident with my English and I was unsure how to write assignments. But HELPS really assisted me with this, I went there and they helped me to write formally. I took my assignments to them and they went through it with me, helping me to improve it. It was extremely helpful.”

Beyond the classroom

UTS has an active campus culture providing opportunities for you to enhance your study abroad experience beyond the classroom and to immerse yourself fully into the UTS lifestyle.

UTS: HATCHERY – ENTREPRENEURSHIP PROGRAM hatchery.uts.edu.au

UTS:Hatchery is a practical, hands-on extra-curricular program for UTS students who wish to develop a future in entrepreneurship. Teams of students from across the university collaborate to solve real-world problems and make a difference. Through a mix of boot camps, agile stand ups, workshops and master classes, students are exposed to a variety of invaluable teaching, which they can apply to their projects or take with them on their entrepreneurial journey. Students enrolled in the program will have exclusive seven-day access to a collaborative co-working space on campus. The program runs for 8 weeks throughout Autumn and Spring sessions.

ESAC – Exchange and Study Abroad Club

facebook.com/UtsEsacPage/

The Exchange and Study Abroad Club organises social events and excursions aimed at enhancing the Australian experience of international students through events with Australian students that provide experiences unique to Australia.

UTS: BUILD – UTS INTERNATIONAL LEADERSHIP PROGRAM build.uts.edu.au

BUILD (Beyond UTS International Leadership and Development) is an exciting and dynamic leadership program, which is free to join and open to all UTS students. Through BUILD's range of local and international opportunities, students can expand networks, gain leadership skills, and learn about topics and the world outside of their field of study. BUILD provides opportunities for students to explore issues of social enterprise, sustainability and social justice.

UTS: SOUL AWARD – SOCIAL LEADERSHIP PROGRAM soul.uts.edu.au

UTS: SOUL Award is a social leadership and volunteer program for students. The award gives students the support to venture beyond their degree and into the community, applying the skills and knowledge learnt at UTS to the real world, all while developing leadership skills and building networks.

Social leadership encourages people to engage in their local communities and to become socially responsible, working in the field with community groups and not-for-profit organisations to create meaningful social outcomes.

Through SOUL students will build peer networks, learn new skills, and earn reward and recognition from UTS for their work.

ACTIVATEUTS – UTS STUDENT CLUBS AND SOCIAL HUB activateuts.com.au

ActivateUTS is home to an array of campus facilities including awesome bars, cafes, retail outlets, and a fitness centre, providing an amazing social and cultural outlet and the chance to engage and immerse in UTS campus life. Join a social, cultural or sporting club. Create a club! Become the President! Or just be an active member, having fun, making friends, networking and contributing to your campus community through clubs such as:

- **ESAC – Exchange and Study Abroad Club**
- **AIESEC UTS**
- **ACES (Entrepreneurial Society)**
- **BusinessOne Consulting UTS**
- **Net Impact UTS**
- **The Big Lift**
- **UTS BUILD Student Society (BSS)**
- **UTS Rotaract (Rotary Club Partner)**
- **UTS Women in Business**
- ...and many, many more!

HELPS U: CONNECT VOLUNTEER PROGRAMS

helps.uts.edu.au

You can volunteer to be a buddy, peer adviser or conversation leader in the **HELPS U:Connect Volunteer Program**. HELPS seeks to enhance the student learning experience through individual and group support in a friendly and respectful environment. The goal is to develop independent and confident learners, whether this is improving English language or academic skills.

UNIVATIVE

uts.edu.au/univative

Univariate is an Inter-University Consultation Competition that aims to improve students' employability skills by simulating real-life workplace diversity. Student teams have 3 weeks to solve a problem, issue, or challenge reflecting an actual need of a business/organisation and present their proposals to this business or organisation, which will then choose a winner. The program is open to senior undergraduate and postgraduate students across disciplines.

COMMUNITY CONNECTIONS

communityconnections.uts.edu.au

Community Connections provides opportunities for students to make connections at UTS and across the wider Sydney community through programs and activities such as community and cultural events, day trips and local volunteering

The events often involve Australian community organisations, not-for-profits and corporate sponsors, which provide ready opportunities for community engagement and immersion into Australian culture and society.

NETWORK & RESEARCHERS' CAFÉ

uts.edu.au/network-cafe

Network Cafe is a free program that brings new students from overseas together with experienced UTS students (Peer Networkers) to help them settle into Sydney and the UTS community. The Network Café is open every Tuesday afternoon (during session). Drop by for a free coffee and a chat.

UTS Researchers' Café is a monthly social event for all currently enrolled Higher Degree Research students. On the first Wednesday of each month, research students get together for a free coffee and a chat.

LEFT TO RIGHT:

1. Hatchery students using their creativity during a workshop. Photo: Anna Zhu

2. Want to learn how to surf? Check out what ActivateUTS has on offer! Photo: UTS Activate.

“The Hatchery gave me the opportunity to learn about innovation and entrepreneurship. My idea was to provide high quality education to people that live in remote areas in Australia. I worked with a group of people interested in education but with different objectives. I learnt a lot how to manage my time, motivate myself and how to prioritise.”

LUIS JAVIER ERAZO GALLO

Home Country: Colombia

Studied: Information Technology

Feel at home

Secure a room at one of UTS Housing's student residences or get information and assistance on a range of private accommodation options.

UTS-OWNED ACCOMMODATION

UTS students can choose from four residences, all of which are close to campus. Check them out on housing.uts.edu.au

All UTS residences have spacious communal and barbecue areas, study rooms, games and computer rooms. Yura Mudang also has a music room and Gumal Ngurang has a garden rooftop.

All UTS residences are self-catered, secure and competitively priced. All bedrooms are for one person (except twin shares), with shared kitchens, bathrooms and living areas. Apartments are fully furnished and rent includes gas, electricity, water, cabled internet in bedrooms and limited wireless internet access in communal areas.

You will need to provide your own bed linen and cooking equipment.

Fees are different for each residence. There are two non-refundable fees: A\$40 application fee and A\$120 acceptance fee (subject to change).

Due to the high volume of accommodation requests, UTS Housing has also sourced reserved beds for students with off-campus providers (Urbanest, Unilodge and Iglu).

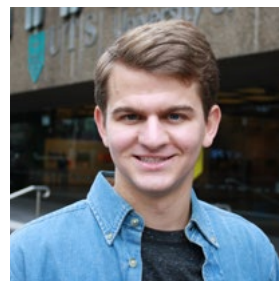

For more information about UTS-owned students accommodations, visit: housing.uts.edu.au

RENTING PRIVATE ACCOMMODATION

If you are organising private accommodation, we recommend you arrange short-term accommodation in Sydney so you can view properties on your arrival and choose something that really suits your needs for the long-term. Visit UTS Housing's off-campus accommodation website, to find share rooms in private houses and apartments around UTS: uts.studystays.com.au

Share accommodation means you usually have your own room and share a kitchen, living area and bathroom with other students or people who work. Alternatively, you may choose a studio or one-bedroom apartment to live in on your own, but this is more expensive.

All accommodation rentals should come with a residential or tenancy agreement. If you need any help or advice, please contact the UTS Housing Off-Campus Officer at housing.welfare@uts.edu.au or the UTS Student Legal Service at studentlegalservice@uts.edu.au who are here to help you.

“I lived in Student Housing – Yura. Living here has been really helpful to get to know people. Student Housing put a lot of emphasis on meeting new people; this was helpful because it would have been a lot harder for me to meet people, especially in the weeks before class started.”

ANDREW TARWATER

Home country: United States of America
Studied: Finance and Marketing

UTS priority housing placement

As a UTS study abroad or exchange student, UTS offers you first priority to live in UTS Housing. You must apply by 31 October for Autumn session and by 1 June for Spring session. UTS Housing will place you before applications are opened for other students. Apply early to increase your chances of securing a room. Preferences will be considered, but we may not be able to offer you a particular style or price of room. Read more and apply at: housing.uts.edu.au

LIVING COSTS

The table below details approximate establishment and ongoing costs you may incur while studying at UTS and living in Sydney. This table should be used only as a guide, as individual spending may vary. It is a requirement of the Australian government that prospective international students can demonstrate that they have access to at least A\$19,830 a year to fund their living costs in Australia, and additional funds if bringing partners or family.

ESTABLISHMENT COSTS

You should expect to pay approximately A\$5200 start-up or establishment costs for independent accommodation. Allow an additional A\$1000 to \$1500 for a computer and printer, if required. These costs include items such as a rental accommodation bond (four weeks' rent), rent in advance, linen, furniture, telephone and internet connection, kitchenware, personal items and electricity connection, and must be budgeted for. With regards to UTS Housing, you will need to budget for the registration admin fee (A\$40), the acceptance fee (A\$120), the bond fee (equivalent of 4 weeks' rent), two weeks rent in advance and any personal items you wish to purchase.

Accommodation Tips

- Don't pay any money before viewing and being satisfied with a non-UTS property. Until you arrive and get a feel for the area you want to live in, you won't know whether it is right for you.
- During Orientation, UTS Housing hosts specific accommodation sessions and has an accommodation information stand where staff can guide and support you with your accommodation search.
- Consider the UTS Housing Priority Placement for Study Abroad and Exchange students.

THIS PAGE LEFT TO RIGHT: 1. Students relaxing on rooftop terrace at UTS Housing. Photo: UTS Housing. 2. A room in one of Geegal's buildings. Photo: Chris Bennett.

SYDNEY LIVING COSTS – APPROXIMATE GUIDE ONLY	Independent Accommodation		UTS Accommodation	
	Weekly	Annual	Weekly	Annual
Rent per person in shared accommodation within a short commute to UTS	A\$200* – A\$330	A\$10,400 – A\$17,160	A\$225 – A\$386	A\$11,440 – A\$19,344
Groceries (eg. food, drinks, toiletries)	A\$100	A\$5200	A\$100	A\$5200
Internet/Phone (mobile)	A\$15	A\$780	Free cabled internet in room and limited free internet access	Free cabled internet in room and limited free internet access
Gas/Electricity	A\$20	A\$1040	Inclusive	Inclusive
Books/Supplies	A\$18	A\$936	A\$16	A\$832
Transport costs	A\$30	A\$1560	A\$10	A\$520
Total estimated ongoing costs	A\$383 – A\$513	A\$19,916 – A\$26,676	A\$351 – A\$512	A\$17,992 – A\$25,896

*Any amount below this will likely be twin share. Note: Prices vary depending on the condition of the property, the number of people you share with and the proximity of the accommodation to the centre of Sydney and other amenities. Note: UTS Housing requires study abroad and exchange students to pay their residential fees either in one lump sum upfront or in three instalments. All contracts are either five or six months in length.

Sydney events calendar

Awarded as a top international destination for festivals and events*, Sydney hosts a wide range of public events and activities throughout the year – and many of them are free.

JANUARY

Sydney Festival

sydneyfestival.org.au

Three weeks of live music, visual arts, theatre, food and film on Sydney's streets.

Australia Day – 26 January

australiaday.org.au

Public holiday celebrations including fireworks and free community events held across the nation.

FEBRUARY

Sydney Chinese New Year Festival

sydneychinesenewyear.com

Over two weeks of celebrations culminating with a street parade, light show and fireworks on the eve of Lunar New Year.

FEBRUARY – MARCH

Sydney Gay and Lesbian Mardi Gras

mardigras.org.au

Two weeks of events including a film festival, fair day, academic discussions, finishing with a colourfully costumed and choreographed parade.

MARCH – APRIL

Royal Easter Show

eastershow.com.au

Held at the site of the 2000 Olympics, the Easter show is Australia's largest annual event, with agricultural competitions, animal experiences, entertainment, carnival fun, shopping and much more.

MARCH – JUNE

Biennale of Sydney

biennaleofsydney.com.au

Held every two years, the Biennale of Sydney is a three-month-long contemporary visual arts festival, with artist talks, performances, forums, guided tours and other special events.

MAY

Sydney Writers' Festival

swf.org.au

Featuring globally acclaimed writers and commentators, the writers' festival is also the launchpad for the annual UTS Writers' Anthology.

MAY – JUNE

Vivid Sydney

vivid Sydney.com

Vivid Sydney brings to life large-scale light installations, music and creative ideas across the city.

JUNE

Sydney Film Festival

sff.org.au

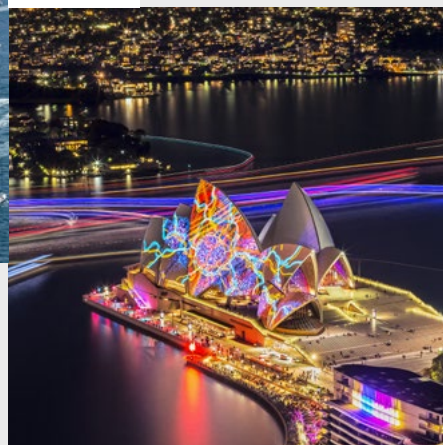

The second longest running film festival in the world, featuring films from over 40 countries, including shorts, documentaries, classics and Australian films.

Australia Day – 26 January,
The Ferrython Race

AUGUST

City to Surf
city2surf.com.au

Join the UTS team for the largest timed fun run in the world – starting in the city centre and finishing at Bondi Beach.

Sydney Science Festival
sydneyscience.com.au

Sydney Science Festival helps to promote National Science Week events across Sydney. Led by the Museum of Applied Arts and Sciences (MAAS), the festival aims to encourage an interest in science among the general public and young people.

SEPTEMBER – OCTOBER

Football Finals Series
afl.com.au
nrl.com
rugby.com.au

Get a taste of Australian sporting culture. Rugby league, rugby union and AFL finals attract hundreds of thousands of colourful spectators.

OCTOBER – NOVEMBER

Sculpture by the Sea
sculpturebythesea.com
An outdoor exhibition of contemporary Australian and international sculpture along Sydney's spectacular Bondi to Tamarama coastal walk.

NOVEMBER

Newtown Festival
newtownfestival.org
The inner city suburb of Newtown hosts this festival of live music, food and clothing markets, seminars and art workshops.

DECEMBER

Sydney to Hobart Yacht Race
rolexsydneyhobart.com

One of the most celebrated ocean yacht races in the world kicks off on Boxing Day each year from Sydney Harbour.

New Year's Eve
sydneynewyarseve.com
Sydney explodes with street parties, music and one of the biggest fireworks displays in the world.

For the full range of Sydney events, visit the City of Sydney What's On calendar: whatson.cityofsydney.nsw.gov.au
For more UTS events, visit: uts.edu.au/current-students/campus-life
For a guide to events, shopping, dining, attractions, sports and travel in NSW, visit the Destination NSW website: visitnsw.com

Before you apply

FEES, SCHOLARSHIPS AND FINANCIAL AID

Tuition fees per session 2018

Study abroad 24	A\$9,888*
Study abroad 18	A\$7,416**
Visiting research	A\$9,888*
Exchange students	Regular fees paid to home institution

* Flat fee for 24 credit points of study

** Flat fee for 18 credit points of study

Note: Students undertaking additional credit points will incur additional fees. Tuition fees are subject to change at the beginning of each calendar year. In 2018, Study Abroad Program tuition fees are \$412 per credit point and in are likely to rise slightly for 2019.

For an explanation of UTS credit points, see page 23

REFUND OF FEES

For the UTS Statement of protocol on fees, visit: uts.edu.au/future-students/international/essential-information/fees-information

SCHOLARSHIPS

UTS offers Study Abroad Excellence Awards valued at up to A\$2000 for commencing Study Abroad students. Selection is based on academic excellence in the most recently completed tertiary qualification recognised by UTS for entry in the Study Abroad program. We also offer mobility grants to eligible students from UTS Study Abroad partner institutions.

For more information about fees and scholarships, visit: uts.edu.au/future-students/international/study-abroad-and-exchange-students/fees-and-living-expenses

FINANCIAL AID AND LOANS

If you are from Canada, Denmark, Germany, Norway, Sweden, the UK or the USA, you may be eligible for financial assistance from your home university or government. For further information, talk to your UTS representative or visit: uts.edu.au/future-students/international/essential-information/financial-aid

Entry requirements

ACADEMIC REQUIREMENTS - CURRENT UNIVERSITY STUDENTS

You must have completed one full year or more of study at a recognised institution with the following or equivalent grades:

- a 'credit' or 'good' average, or
- a cumulative GPA of 2.5 on a 4.0 point scale, or
- an average grade of 'C' or better on the European ECTS grading scale.

ACADEMIC REQUIREMENTS - HIGH SCHOOL GRADUATES

Students who have not completed one year of full-time study at a recognised institution may apply for admission as a study abroad student if they meet university matriculation requirements. Conditions may apply regarding subject access.

VISITING RESEARCH STUDENTS

If you are applying as a visiting research student, you must discuss the most relevant field of research for you to undertake at UTS with your home university supervisor. You must also check if UTS has a supervisor in your field of research at: <http://cfsites1.uts.edu.au/find/uts-research/find-a-supervisor/index.cfm>

See guidelines for Applying to the Visiting Research Students Program: studyabroad-exchange.uts.edu.au

ENGLISH LANGUAGE REQUIREMENTS

UTS will accept original or certified copies of English language test results according to the table below:

Test	Most Study Areas	Engineering & IT (undergraduate)	Australian Language and Culture Studies
IELTS (Academic Strand)	6.5 overall with a writing score of 6.0	6.0 overall with a writing score of 6.0	5.0 and above
TOEFL (Internet-based)	79 -93 overall with a writing score of 21	60 -78 overall with a writing score of 21	35 and above, with a writing score 17
PTE (Academic)	58-64	50-57	36 and above
CAE	176 - 184	169-175	155 - 162

Note: For details of language entry requirements please visit: uts.edu.au/future-students/international/study-abroad-and-exchange-students/entry-requirements

Application deadlines

PROGRAM APPLICATIONS ARE DUE:

30 November for Autumn session (March start)
30 April for Spring session (July start)

Extensions for late study abroad applications may be granted in special cases.

FOR UTS HOUSING PRIORITY, APPLICATIONS ARE DUE:

31 October for Autumn session
1 June for Spring session

Note: Whilst your accommodation preference will be considered, you are not guaranteed an offer to a particular style or price of room. Apply at uts.edu.au/current-students/support/accommodation/apply-uts-housing

ALTERNATIVE ENGLISH LANGUAGE TEST

Students from Austria, Denmark, Finland, France, Germany, the Netherlands, Norway, Sweden or Switzerland are eligible to apply to UTS with an alternative means of language assessment.

To download the UTS English Language Proficiency Assessment application form, visit: uts.edu.au/future-students/international/study-abroad-and-exchange-students/entry-requirements/english-language

OVERSEAS STUDENT HEALTH COVER (OSHC)

You must have OSHC* for the full duration of your proposed Australian student visa. For current OSHC costs and payment options, visit the fees section of the UTS Study Abroad and Exchange website.

*Belgian, Norwegian and some Swedish students who have health cover in their home country may be exempt from OSHC.

For further information about your visa requirements, please visit the Department of Health and Ageing (DoHA) website: health.gov.au/oshc

How to apply

uts.edu.au/future-students/international/study-abroad-and-exchange-students/steps-applying

1. Choose your program	Are you applying as an exchange, study abroad 24, study abroad 18, or visiting research student?
2. Check your eligibility	Check that you meet the entry requirements for your program.
3. Discuss your study options with your home university	Consult with your home university to understand the application and credit requirements of studying abroad. If you are from a UTS exchange partner university, you'll also need home university approval to participate in the exchange.
4. Choose your subjects - 18 or 24 credit points	Review the information in this guide and on the UTS website to select the appropriate study plan for your program in Australia - uts.edu.au/study-abroad-subjects
5. Apply to UTS	<p>Exchange students</p> <ul style="list-style-type: none"> – Ensure your home university confirms your nomination to UTS first. – We will then send you a link to apply online. – Your home university must submit a scanned copy of your application with certified and translated supporting documents to saex.applications@uts.edu.au <p>Study abroad students</p> <ul style="list-style-type: none"> – Complete the online application form uts.edu.au/future-students/international/study-abroad-and-exchange-students/steps-applying/study-abroad – Submit a scanned copy of your application with certified and translated supporting documents to your UTS representative or to saex.applications@uts.edu.au
6. Apply for UTS housing	You will receive an acknowledgement of your application with your UTS student number. Using this student number, you are able to apply for UTS Housing even before receiving an offer. To secure a priority place in a UTS residence, apply by 31 October or 1 June. Note: A non-refundable application fee applies.
7. Letter of offer and study plan	UTS will assess your application. If you are successful, UTS will issue an electronic Letter of Offer and start to prepare your study plan. The average timeframe to process applications is two to three weeks.
8. Acceptance and confirmation of enrolment	You must formally accept your offer and, if applicable, pay your tuition fees to UTS. Once UTS receives your acceptance, evidence of OSHC and tuition fees, you will be issued a Confirmation of Enrolment (CoE). The CoE is official documentation provided by UTS and is required to obtain an Australian student visa. At this stage, UTS will also pre-enrol you in your preferred, approved subjects.
9. Apply for a student visa	Apply for a student visa online. Once your student visa has been approved, you should finalise your travel arrangements. You must obtain an Australian student visa before you can commence study in Australia. border.gov.au/Trav/Stud
10. Pre-departure	UTS will send you Pre-arrival information regarding accommodation, airport reception and orientation activities.
11. Arrival and Orientation	Arrive in Australia and attend UTS Orientation, which is compulsory for all new students. Our comprehensive Orientation programs include information sessions and social activities, to help you get to know UTS and meet other new and experienced students. You will also be able to finalise your enrolment and receive your student ID card.

Exchange partners

UTS has agreements with institutions across the globe. If your home university is a UTS partner institution, you may be eligible to come to UTS as an exchange student.
