

# THE QUIRKY GUIDE

---

*to UTS*

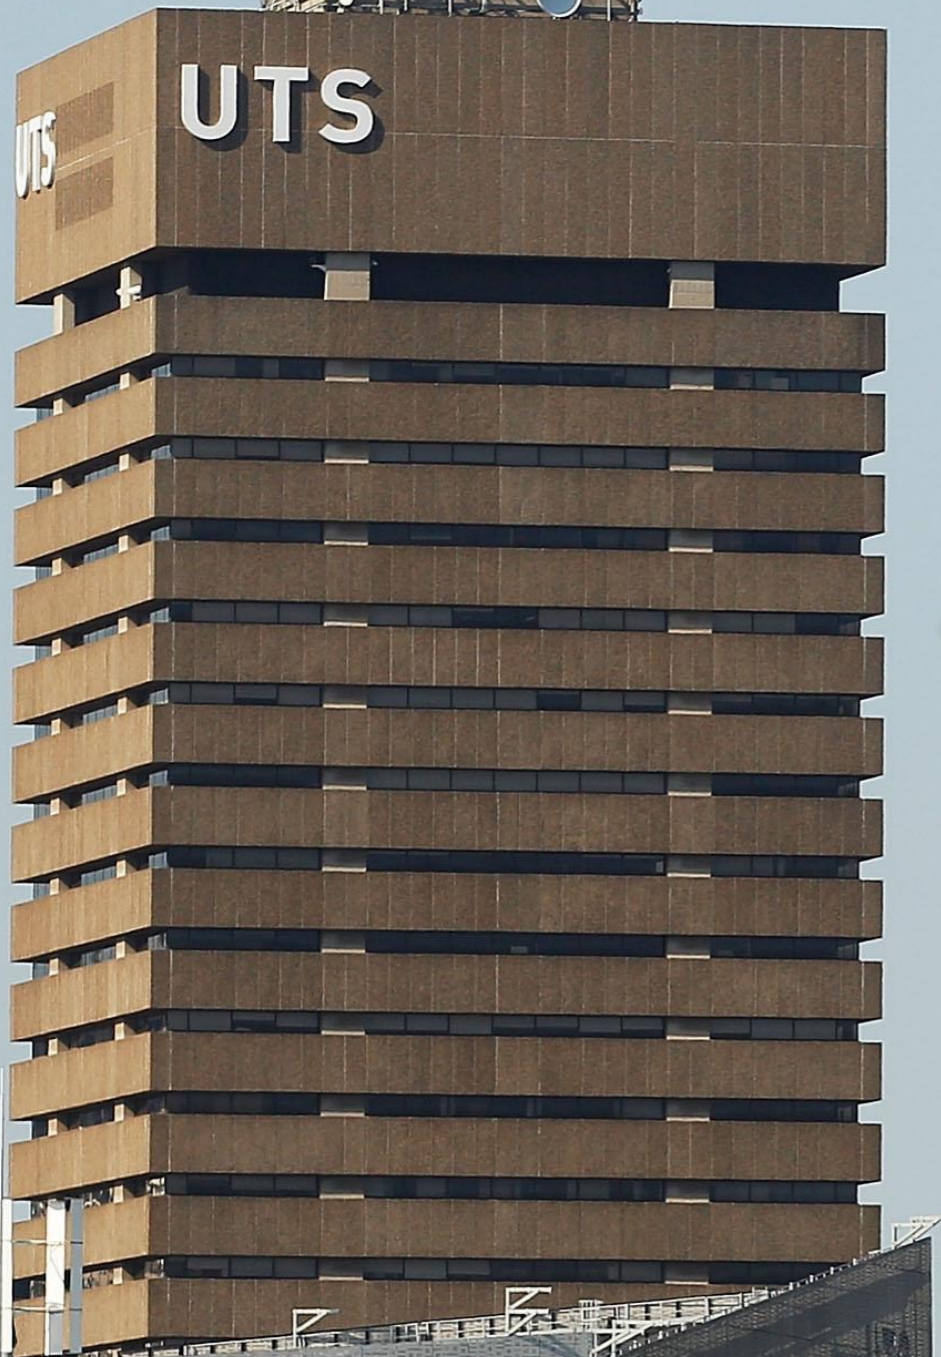

## THE 30 SECOND UTS SCHPEEL

.....

*Study at UTS- a dynamic, cosmopolitan university situated in Australia's global city of Sydney. Located in the heart of Sydney, UTS is a practical, hands-on, and innovative university rated the 8th Best Young University in the world! UTS is bursting at the seams with Social Clubs (read Quidditch, to Karate, to Pet Lovers, to Business society) and activities to get involved in! Lecture in the morning, the best dumpling of your life at lunch, and be at the beach in the afternoon!*

# BEST NON- ACADEMIC THINGS ABOUT UTS

---

- *Location- smack bang in the middle of the city! Perfect for exploring Sydney and weekend get aways.*
- *UTS Architecture- study on a sticky campus you'll never want to leave!*
- *UTS Student Services- UTS offers a wide range of support to Study Abroad students. From Presentation and speaking skills at UTS:Helps to free counselling and budget planning at Student Services.*

## WHAT SPORT TEAMS ARE AT UTS?

.....

- *Represent your university at a competitive level and join Team UTS as part of one of our intervarsity teams at the Australian University Games, Eastern University Games, or Australian Championships.*
- *There are so many sports students can represent UTS in! Check out the UTS Activate: Uni Games for more info! <https://www.activateuts.com.au/Sport/Unigames>*

# WHAT BARS ARE ON UTS CAMPUS?

# UTS LIBRARY

*Sure you can study here, but its also a student hang out hub! The Games Rooms is open to all students to play video games during their study breaks, and when you get tired, have a nap in the bean bags under the staircase!*

# WHAT'S WEIRD OR QUIRKY ABOUT UTS?

# WHAT DO STUDENTS DO ON WEEKENDS?

---

- *The UTS Activate clubs have a great social calendar with something on everyday. Join a club for more info!*
- *There is a festival almost every weekend in the city - big ones to look out for are Chinese New Year, Vivid Light Festival, Beams Festival, The Chocolate Festival and The Night Noodle Markets in Hyde Park!*
- *Sydney is a great hub to do weekend trips from! 2 Hours north you have the Hunter Valley (great for Wine Tasting), 2 hours south you have Bowral (Great for a rural weekend getaway), an hour West is the Blue Mountains (a great day trip for Hiking!)*
- *Quintessential Weekend Activity - Beach and BBQ at one of Sydney's amazing beaches.*
- *Check out the Markets in Glebe, Roselle, Balmain or Surry Hills for great food, music, vintage and second hand clothes and hand made products!*

*Cuddle a Koala at Featherdale Wildlife Park*

*Bondi to Coogee Coastal Walk*

*NYE on Sydney Harbour*

# THREE THINGS ON THE UTS STUDENT BUCKET LIST

# WHAT'S THE NEAREST BEACH TO UTS?

.....

- *Bondi Beach - Train from Central to Bondi Junction (13 minutes) > Bus to Bondi Beach (7 minutes)*
- *Manly Beach - Ferry from Circular Quay (20-30 minutes with amazing Scenery on Sydney Harbour)*
- *Download Trip View Lite (free app) to access all public transportation schedules.*
- *Plus, the Sydney Opal Card gives \$2.50 travel everywhere on Sundays! Best day to head around Sydney cheaply!*

*Museums - MCA, Powerhouse, Art gallery of NSW (See the Archibald Prize), small quirky galleries such as White Rabbit Galley (just minutes from UTS)*

*Food - Sydney is crazy about food!*

*Experience an Australian Christmas at Bondi Beach*

**OTHER THAN THE BEACHES, WHY ELSE SHOULD I STUDY IN SYDNEY?**

## ARE THERE INTERNSHIPS AVAILABLE?

.....

*Students may wish to take on an internship in addition to their studies here. [UTS Careers](#) service is a free service to all UTS students and can help find an internship!*

## DO STUDY ABROAD STUDENTS MEET LOCALS?

.....

*Yes! Study Abroad Students are in classes with locals. Classes at UTS often have a lot of group work and discussions, so making friends isn't hard! Joining a club is also a great way of making a great close knit group of friends!*

## COMMONLY REQUESTED COURSES THAT ARE NOT AVAILABLE?

.....

*Most courses at UTS are available to Study Abroad students, as long as they have met the pre-requisites to the subject. 88805 Introduction to Photography is one of our most popular subjects with only 40 spaces and is often full. We also don't offer traditional Psychology courses that US students often request.*
