- Opportunity to gain research experience
- Working in collaboration with a young and dynamic team
- Flexible working hours

### Your tasks:

- Proofreading (English)
- Supporting our research projects

### Desired knowledge and skills:

- Research interest in the area of social media and digitalization
- Excellent English language skills (preferably C2 or native speaker)
- Professional handling of common standard software (MS Office)

Please send your application documents (cover letter, CV, copies of certificates, proof of English proficiency) via e-mail to Ms. Antonia Köster, email address (antonia.koester@uni-potsdam.de) by May 03, 2019. Please quote the above mentioned reference number.

We are looking forward to your application!

### Additional information:

The aim of the German Internet Institute is to investigate the interactions between digitalization and society. The project is funded by the Federal Ministry of Education and Research (BMBF). The consortium is coordinated by the Berlin Social Science Center (WZB) and includes the four Berlin universities – Freie Universität Berlin, Humboldt-Universität zu Berlin, Technische Universität Berlin, Universität der Künste Berlin – as well as the Universität Potsdam and the Fraunhofer Institute for Open Communication Systems (FOKUS).
