

Vacancy

Student | Research Assistant
Reference number: 003/2018
10 hours per week or more

As part of the project “The German Internet Institute” the Chair of Business Informatics, esp. Social Media and Data Science of the University of Potsdam offers a position as a student | research assistant (SHK | WHK with or without degree) for 10 or more hours per week starting from August 30, 2018 or earlier. Your office will be in the center of Berlin in Hardenbergstraße 32, 10623 Berlin (near station Zoologischer Garten).

We offer:

- Collaboration in interesting research projects
- Opportunity to gain research experience
- Working in collaboration with a young and dynamic team
- Flexible working hours

Your tasks:

- Supporting research through conducting literature surveys
- Proofreading (English)

Desired knowledge and skills:

- Research interest in the area of social media and data science
- Excellent English language skills (preferably C2 or native speaker)
- Professional handling of common standard software (MS Office)

Please send your application documents (cover letter, CV, copies of certificates, proof of English proficiency) via e-mail to Ms. Annika Baumann (annika.baumann@uni-potsdam.de) by July 01, 2018. Please quote the above mentioned reference number.

We are looking forward to your application!

Additional information:

The aim of the German Internet Institute is to investigate the interactions between digitalization and society. The project is funded by the Federal Ministry of Education and Research (BMBF). The consortium is coordinated by the Berlin Social Science Center (WZB) and includes the four Berlin universities – Freie Universität Berlin, Humboldt-Universität zu Berlin, Technische Universität Berlin, Universität der Künste Berlin – as well as the Universität Potsdam and the Fraunhofer Institute for Open Communication Systems (FOKUS).
